Interests & Experiences

Why are you interested in serving on a Board or Commission?

I am interested in serving on a Wake County board or commission because I have dedicated my professional career and volunteer service to strengthening communities, supporting vulnerable populations, and improving systems that impact youth, families, and public safety. Through my work with the North Carolina Department of Adult Corrections, Vance County Detention Center, and the Granville County Sheriff's Office, I have gained extensive firsthand experience with the challenges individuals face within the criminal justice and human services systems. These roles have strengthened my commitment to advancing effective policies and community-based solutions. For the past three years and six months, I have also served as a Court-appointed Guardian ad Litem, advocating for abused and neglected children and ensuring their voices are represented in the NC court. This work has reinforced how essential strong support systems, early intervention, and interagency collaboration are for improving long-term outcomes. My dedication to service has been recognized through the Lifetime Presidential Achievement Award, the Mayor of Long Beach, California, and the Mayor of the City of Oxford, formerly Senator Mary Wills Bode, and I was also honored with an Honorary Doctorate in Humanitarianism for my longstanding commitment to community outreach and empowerment. In addition to my professional experience, I hold a wide range of academic credentials—including a Bachelor of Science, a Master of Divinity, a Doctor of Theology, and a Master of Public Administration—that provide a strong foundation for leadership and policy analysis. I am also a Notary Public, a role that reflects my commitment to integrity, accuracy, and public trust. My early work with the Peer Counseling Association of Jamaica, along with my ongoing service as a brand ambassador and community advocate, has shaped my passion for supporting families, vulnerable youth, and underserved communities. Serving on a Wake County board or commission aligns with my lifelong dedication to justice, equity, and public service. I want to contribute my experience, insight, and commitment to helping shape policies and initiatives that strengthen community safety, improve human services, and expand opportunities for all residents. I believe my background, leadership experience, and deep commitment to service will allow me to make a meaningful and positive contribution to Wake County.

Work Experience

I have worked with Kittrell Job corp, Eckerd Connect Girls Academy for Juvenile Delinquency, NC Department of Adult Corrections, Granville County Sheriffs, Vance County Detention, Peer Counseling Association of Jamaica, NY Presbyterian Hospital, Maria Parham Hospital, Duke Regional Hospital, EDSI (NC works) and also have been in the Security Industry as armed Security. I have also worked with Guardian Angel Healthcare with individuals with Intellectual disabilities.

Volunteer Experience

I have Volunteered with Immigrants Responding to Crisis (IRTC) IN NY, Guardian Ad Litem (GAL). I previous had a 501c3 whereas I did charity and community outreach in USA, Jamaica, Ghana, Nigeria, Kenya, South Africa, Uganda and few others. I have also done other community services for different churches and organizations.

Education

I attended Merl Grove High School in Jamaica. I have obtained a Bachelor's degree in Health Science, Master of Divinity, Doctorate in Theology and recently graduated in September with a Master of Public Administration with High Distinction. I have also acquired other certifications which enhance my career in the Justice system such as Criminology and criminal psychology.

Comments

I have obtained an Award in January of this year from President Joe Biden for the Presidential Lifetime Achievement Awards and also last year May 2024 I was honored with an Honorary Doctorate in Humanitarianism. I am a Notary Public as well.

Wake County Government
Boards & Commissions Office
Raleigh, North Carolina

Dear Members of the Boards and Commissions Selection Committee,

I am writing to express my interest in serving on a Wake County Board or Commission. With extensive professional experience in law enforcement, juvenile justice, child advocacy, and community outreach, I am deeply committed to supporting the systems that protect and empower families, youth, and vulnerable populations. My background working with the NC Department of Adult Corrections, the Granville County Sheriff's Office, and the Vance County Detention Center has given me firsthand insight into the challenges individuals face within our justice and human service systems. These experiences have strengthened my dedication to contributing meaningful, solution-focused leadership at the county level.

For the past three years and five months, I have served as a Guardian ad Litem Advocate, ensuring that the voices and best interests of abused and neglected children are represented in court. Through this work, I have developed a deep understanding of how early intervention, trauma-informed service delivery, and interagency collaboration can change the trajectory of a child's life. My continued volunteer service reflects my belief that strong communities are built through compassion, accountability, and systems that work together effectively.

My lifelong commitment to service has been recognized through the Presidential Lifetime Achievement Award and an Honorary Doctorate in Humanitarianism, acknowledging my community outreach both locally and internationally. In Jamaica, I worked with the Peer Counseling Association, where I gained foundational experience in youth support, mentorship, and community empowerment. As a Brand Ambassador and nonprofit founder, I have also led charitable initiatives aimed at addressing social needs and uplifting underserved populations.

I bring a strong academic foundation with a Bachelor of Science in Health Science, a Master of Divinity, a Doctor of Theology, and my ongoing Master of Public Administration studies. I am

also a commissioned Notary Public in North Carolina, underscoring my commitment to ethics, accuracy, and public trust. Combined with my professional and volunteer experience, I am confident that I can contribute thoughtful, informed, and community-centered leadership to Wake County.

I am eager to support the county's efforts in juvenile justice, human services, criminal justice initiatives, domestic violence prevention, housing, or civic oversight. Serving on a board or commission would allow me to use my experience, compassion, and policy understanding to strengthen public systems and promote equitable outcomes for all Wake County residents.

Thank you for your consideration. I would welcome the opportunity to serve and contribute to the impactful work being done in our county. Please feel free to contact me with any questions.

Sincerely,
Althenia Latty Amakeze

Interests & Experiences

Why are you interested in serving on a Board or Commission?

Civic engagement has always been an important part of my life and leadership. In previous cities, I've primarily participated through organizational service—most notably as the Government Affairs Liaison during my time on the American Red Cross Western LA Chapter Board, where I worked closely with city councils to strengthen community partnerships. Now that I've made Wake County my home, I'm eager to take a more direct role in supporting local initiatives and contributing to the well-being of our community. Each of the boards I'm applying to represents an area where I can bring meaningful perspective and experience. My training as a foster parent deepened my understanding of child development and trauma, which aligns closely with the mission of the Juvenile Crime Prevention Council. My advocacy around housing insecurity and economic justice through NCJW|LA informs my interest in the Wake County Housing Authority and its work to promote stability and access. And my board service with the Los Angeles Neighborhood Land Trust inspired my commitment to integrating green spaces into community development—values I would be honored to advance through the Open Space and Parks Advisory Committee. Serving on a Wake County board would be a natural next step in my continued commitment to civic responsibility, collaboration, and community impact.

Work Experience

Assistant Director of Development, Carolina Performing Arts – UNC-Chapel Hill (2025–present) Build and steward relationships with major donors; lead strategic outreach and community partnerships to expand access to the arts and strengthen local engagement. Director of Development, Immigrant Defenders Law Center (2023–2024) Led a three-person team in designing and executing a multi-channel fundraising strategy that expanded government, foundation, and corporate partnerships, helping grow revenue from \$12M to \$23M. Associate Director of Development & Reunion Giving, University of Southern California (2019–2023) Managed 125–350 alumni annually and coordinated reunion campaigns that raised \$300K–\$3.1M per class; served on the University Advancement DEI Council to strengthen equity and belonging among alumni and donors. Major Gifts Officer, American Red Cross (2017–2019) Managed a 550-donor portfolio and secured significant gifts supporting disaster relief and community preparedness; led engagement initiatives that deepened relationships with local government and business partners.

Volunteer Experience

Board Member & Government Affairs Liaison, American Red Cross – Western LA Chapter Built relationships with city councils and community leaders to strengthen community resilience, expand public awareness, and advance local support for Red Cross programs and emergency services. Treasurer & Board Member, Los Angeles Neighborhood Land Trust Supported initiatives to end food deserts through the creation of community gardens and the transformation of vacant or previously hazardous lots into safe, accessible green spaces; collaborated with leaders in the accessible housing arena to ensure green spaces were integrated into new developments. Chair, Advocacy Committee, NCJW|LA Led grassroots outreach and advocacy initiatives focused on economic and social justice—including housing insecurity, healthcare access, and equitable school meal programs—through community mobilization and collaboration with local and state leaders. Certified Foster Parent, Los Angeles County Foster Family Agency System Completed trauma-informed care and child development training; supported children navigating complex emotional and behavioral needs.

Education

Master of Public Policy (MPP), University of Southern California – Price School of Public Policy Focus: Nonprofit Leadership, Public Affairs, and Social Policy Bachelor of Arts in Communication and Media, Fisher College

Comments

Across my career and volunteer work, I’ve sought to bridge people, policy, and purpose—whether building partnerships with city councils through the American Red Cross, advancing equitable park access with the Los Angeles Neighborhood Land Trust, or addressing housing insecurity and other social justice issues through my advocacy with NCJW|LA. My experiences as a nonprofit leader, former foster parent, and active community advocate have given me a deep appreciation for the intersectionality of issues like youth development, housing stability, and public spaces. I view service on a Wake County board or commission as an opportunity to bring that cross-sector perspective to local decision-making and to give back to the community I now call home.

Interests & Experiences

Why are you interested in serving on a Board or Commission?

Whenever me and my neighbors walked around trails in Cary, we would ask each other questions like, 'I wonder who decides to put the crosswalk here,' or 'Why is this stream suddenly flagged for cleanup?' I realized there was a gap between the work the County does and the people who feel its impact. That's the role I want to play: a translator and a bridge. I'm interested in serving on a Board or Commission because I want to play a more active role in supporting and strengthening Wake County, especially when it comes to awareness about the local government, which not a lot of people seem to know about nor participate in. My time on the Health Board at UNC Charlotte taught me how to do that—how to take a student's frustration about clinic hours and turn it into a policy proposal that actually worked. I want to ensure my neighbors see local government not as a distant entity, but as a resource they helped shape by people that they know they can relate and discuss with.
