

**Item Title:** Waiver of Building Permit Fee for the Proposed Gardening Club Shed at Banks Road Elementary School

**Specific Action Requested:**

**That the Board of Commissioners authorizes waiving the building permit fees totaling an estimated \$92.00 for the proposed Gardening Club Shed at Banks Road Elementary School.**

**Item Summary:**

The Gardening Club at Banks Road Elementary School is proposing to build an 8' x 10' shed that will be used to store all of the Club's equipment and tools. The PTA at the school has raised the funds for the materials to build the shed. The Garden Club was created to help educate students at the school about the importance of good, healthy eating habits.

The fee is based on the total cost of the work. The fee rate structure for building permits is set by the Board of Commissioners and any deviation from these rates requires action by the Board. The estimated fee requested to be waived is \$92.
