---

## Interests & Experiences

Why are you interested in serving on a Board or Commission?

---

I would like to meld my understanding of policy and local community needs with my relationships in the RTP and larger Triangle-area business community to bring business perspective to crafting effective funding options for RTP employers to contribute to local infrastructure needs and ensure a favorable long-term business climate for existing and future employers in the region.

## Work Experience

---

Associate Director, State Public Policy and Govt. Affairs, Biogen Senior Manager, State Public Policy and Govt. Affairs, Biogen Senior Manager, Public Affairs, Biogen Manager, Global Government Affairs, SAS Teaching Assistant, Duke University Research Analyst, Latin American Affairs, US Chamber of Commerce

## Volunteer Experience

---

Member, NC Board of Science, Technology and Innovation Legislative and Policy Chair, Regional Transportation Alliance Member, Public Policy Committee, Greater Raleigh Chamber of Commerce Member, Steering Committee, Friends of Wake County Company Representative, RTP Owners and Tenants Association Board Chair, North Carolina Science, Mathematics, and Technology Education Center Founding board member, Research Triangle High School Advisory committee service with Kenan Fellows, North Carolina New Schools, Futures for Kids and the Durham Public Schools Superintendent Member, NC Biotechnology Center Life Science Economic Development Advisory Group Board and Executive Committee member, North Carolina Biosciences Organization (NCBIO) Chair, Biotechnology Innovation Organization's (BIO) Region 5 Council Vice chair, PhRMA North Carolina Task Force

## Education

---

BA, Political Science and Latin American Studies, Texas A&M University Master of Public Policy (MPP), Duke University

## Comments

---

My residence is in Chapel Hill within Durham County. My employer, Biogen, is based in RTP with a campus in Wake county and another in Durham county.

**Mike McBrierty**  
**Associate Director, State Public Policy & Government Affairs**  
**Biogen**

Mike McBrierty is Associate Director, State Public Policy & Government Affairs for Biogen, a global biotechnology leader in the discovery and development of innovative therapies for serious neurological, autoimmune and rare diseases. He is responsible for promoting Biogen's state-level policy interests in the southern region of the United States. Based out of the company's Research Triangle Park (RTP), North Carolina site, Mike works closely with industry, patient community and state government groups across his territory to advance public policies that support the research, development, and delivery of innovative biopharmaceutical products that improve human health.

Prior to his current position, Mike was responsible for a range of public affairs activities for Biogen's RTP operations, including community engagement, state and local government relations, media relations, as well as employee communications for the RTP site and global manufacturing operations organization. Additionally, he served as North Carolina Director of the Biogen Idec Foundation and as a member of the company's RTP Site Leadership Team.

Before joining Biogen in 2007, Mike was Manager, Global Government Affairs for SAS Institute, the world's largest privately-held software corporation. He represented the company on a variety of legislative and policy initiatives with domestic and international issue portfolios. Mike also managed the company's relationship with government relations firms in multiple states and represented the company in trade organizations and coalitions. He began his career at the U.S. Chamber of Commerce as Program Coordinator for the Brazil-U.S. Business Council where he ran member services and programs.

Mike is a Board and Executive Committee member of the North Carolina Biosciences Organization (NCBIO) and currently serves as the chair of the Biotechnology Innovation Organization's (BIO) Region 5 Council and vice chair of the PhRMA North Carolina Task Force. He previously served as a gubernatorial appointee to the NC Board of Science, Technology and Innovation and as Legislative and Policy Chair for the Regional Transportation Alliance. With a passion to ensure all children have access to a high-quality education, Mike has been Board Chair of the North Carolina Science, Mathematics, and Technology Education Center, was a founding board member of Research Triangle High School and has served on advisory bodies to the Kenan Fellows, North Carolina New Schools, Futures for Kids and the Durham Public Schools Superintendent.

Mike earned a Master of Public Policy (MPP) from Duke University's Terry Sanford School of Public Policy and a B.A. *magna cum laude* in Latin American Studies and Political Science with honors from Texas A&M University. While at Duke, he was awarded a Foreign Language/Area Studies (FLAS) Fellowship. He is a Class XIX graduate of the Leadership North Carolina program.

Mike and his wife Julie reside in Chapel Hill, North Carolina with their two children Callie and Sam.

## Interests & Experiences

Why are you interested in serving on a Board or Commission?

After a decades long absence, I moved back to Wake County. I have spent the past 6 years getting re-acquainted with the area and through various community volunteer activities. I have accumulated tremendous experience as a senior leader at a major international pharmaceutical company and I want to work with my fellow citizens in Wake County to contribute to the growing success of our area. Connectivity is of major importance - - but to be a part of actively serving y community means even that much more.

## Work Experience

15+ years as researcher and senior leader in biopharmaceutical business.(Eli Lilly, AstraZeneca, GSK)  
10+ years of research experience at a major research university (UAB)

## Volunteer Experience

4+ years - Crosspointe Chruch - Worship Volunteer 2+ years - Durham Rescue Mission (Food bank & Clothes donation) 1 year - Point Church Apex Food Pantry

## Education

BA - Biological Science (1991) MPH - Epidemiology (1994) PhD - Administration, Health Services (2002)

BIRTHDATE: February 1, 1969  
(Griffin)

MARITAL STATUS: Married (Jane Griffin)

### EDUCATION:

University of Alabama at Birmingham  
Birmingham, Alabama

Ph.D. - 2002  
(Administration - Health Services)

Dissertation Title: *An Involved Cost-Effectiveness Analysis for the Appropriate Clinical Management Strategy of Adults with Group A-Beta Hemolytic Streptococci-Suspected Pharyngitis*

MATTHEW.D.ROUSCULP@GSK.COM

University of Alabama at Birmingham  
Birmingham, Alabama

M.P.H. - 1994 (Epidemiology)

Rutgers University  
New Brunswick, New Jersey

B.A. - 1991 (Biological Sciences)

POSITIONS HELD:

2011-Present

**Senior Director,  
Government & Medical Policy**

(2014-Present)

**Comparative Effectiveness  
Research & Health Policy  
Research** (2011-2014)  
US Medical Affairs  
GlaxoSmithKline  
Research Triangle Park, North  
Carolina

Duties and responsibilities: To develop and lead GSK's Medical Policy - Field Medical Team. The goal of this group was to ensure that the U.S. Medical Affairs - Government & Medical Policy, a function of one field medical, is viewed as a vital, trusted and patient-centered partner by internal and external stakeholders in provisioning scientific resources to inform and shape healthcare policy in the U.S. on Medical Policy. To accomplish this I worked in partnership with various subject matter experts and matrix teams to ensure appropriate awareness and integration of the GSK value assessment, comparative effectiveness and health policy research operations and strategy to support internal decision-making during product development, commercialization, and life cycle management.

POSITIONS HELD (continued):

PROFESSIONAL ORGANIZATIONS:

Member, Research Committee, National Pharmaceutical Council, December 2011

Member, Comment Group - ISPOR Health Science Task Force on Good Research Practices - Modeling Studies, International Society for Pharmacoeconomics and Outcomes Research, July 2000.

Member, The American Society for Bone and Mineral Research, March 2005.

Member, International Society for Pharmacoeconomics and Outcomes Research, January 2000.

Panel Session Reviewer, 2013 Annual Meeting

Member, Society for Medical Decision Making, Professional Society, July 1999.

Reviewer, 2002, 2005, 2006 Annual Meeting

Member, Association for Health Services Research/AcademyHealth, Professional Society, April 1999

HONORS:

Best Paper, *Academy of Management Executive*, 2004

Member, Delta Omega, Public Health Honorary Society, June 1998

Recipient, School of Public Health Fellowship Award, University of Alabama at Birmingham, 1994

Recipient, New Jersey Distinguished Scholar, New Brunswick, NJ, 1987-1991

DESCRIPTION OF TEACHING ACTIVITIES:

*School of Medicine, Indiana University / Purdue University, Indianapolis:*

P603: Seminar in Behavioral Health Sciences  
Instructor (2003)

P607: Seminar in Health Policy and Management  
Instructor (2003)

*School of Health Related Professions, University of Alabama at Birmingham:*

AHS 330: Health Care Systems  
Invited Lecturer:  
Cost, Access, and Quality (2000)

HA 605: Health Care Policy & Politics  
Invited Lecturer:  
Medicare & The Balanced Budget Act of 1997 (1998)  
The Presidency and Health Care Policy (1998)

HA 611: Managed Care  
Instructor (2002)  
Distance Learning Program for Executive Masters Program

HA 621: Healthcare Financial Management II  
Invited Lecturer:  
Current Issues Arising from the Balanced Budget Act of 1997 (1998)

HA 645: Health Economics  
Instructor (2000):  
Distance Learning Program for Executive Masters Program

*School of Nursing, University of Alabama at Birmingham:*

NUR 473: Public Health Science  
Invited Lecturer:  
Injury Control in the Public Health Environment (1995-1996)

*School of Public Health, University of Alabama at Birmingham:*

EPI 603: Injury - Epidemiologic Principles and Prevention Strategy  
Teaching Assistant (1997):

Invited Lecturer:  
Injury Control - Theoretical Basis for Intervention (1998-1999)  
Overview of the Injury Control Research Center (1997)  
Theoretical Basis for Interventions in Injury Control (1997)  
Graduate and Career Opportunities in Injury Control (1997)  
Panel on Graduate Research and Professions in Injury Control (1996)  
Injury Epidemiology (1996)

TEACHING ACTIVITIES (continued):

HCO 600: Introduction To Population Based Health Programs

Invited Proctor:

Quality Initiatives in Public Health (1998)

Invited Lecturer:

Foundations of Injury Control (1999)

Economic Evaluation of Public Health Programs (2001)

HCO 677: Patient Based Outcomes Measurement in Health Care Settings

Guest Instructor:

Economic Evaluations (2001)

Decision Analysis (2001)

HCO 720: Health Insurance and Managed Care

Teaching Assistant (2000)

HCO 721 Decision Analysis for Public Health & Medicine

Teaching Assistant (2001)

Guest Instructor:

Introduction to DATA 3.5 - Computer Laboratory (2000)

Introduction to Markov Models - Computer Laboratory (2000)

HCO 722 Cost-Effectiveness Analysis for Public Health & Medicine

Teaching Assistant (2001)

Guest Instructor

CEA Using Previously Published Data (2000)

MPA 673/ HB 692: Community-Organization and Development

Invited Lecturer:

Injury Control Community-Based Activities (1998)

Prevention Modeling in Injury Control (1997)

*Auburn University*

HA 370: Health Administration and Community Affairs

Invited Lecturer:

Injury Control: Where does it fit ? (1997)

*Virginia College*

POL 106: Current Events

Invited Lecturer

Discussion of United States Health Care System (1999)

Current Topics in Health Care (1999)

SERVICE ACTIVITIES:

International/National Service:

- 2014-Present Expert Panel for the Linking Cost and Quality Project, National Quality Forum
- 2014-Present Panelist, Developing Curricula for Teaching Patient Centered Comparative Effectiveness Research, PhRMA
- 2014-Present Board of Director, GSK PAC
- 2013-Present Dean's Advisory Board, UAB School of Health Professions (3 Year Appointment)
- 2013-Present President's Advisory Board, Institute for Clinical and Economic Review
- 2013-Present Reviewer, Patient-Centered Outcomes Research Institute
- 2013-2015 Company Representative, Green Park Collaborative - USA
- 2013 Facilitator, Patient-Reported Outcomes Infrastructure Workshop, Patient-Centered Outcomes Research Institute
- 2013 Session Chair, Patient-centered Predictive Modeling and Its Role in Creating a Learning Health System, DIA Annual Meeting
- 2013 Invited Speaker (2 Sessions), Observational Sciences for Decision-Making Conference
- 2013 Reviewer, PhRMA Young Investigator Grant
- 2012 Workshop Planning Committee: CER Summit: Issues in Diabetes and Related Diseases
- 2012 Invited Speaker (2 sessions), CER: A Real-World User's Guide
- 2011-Present Company Representative, Research Committee, *National Pharmaceutical Council*
- 2009-2011 Track Chair (2 years), Health Economics and Outcomes/Comparative Effectiveness Research/HTA, *DIA Annual Meeting*
- 2009-present Reviewer, *American Journal of Preventive Medicine*
- 2009-present Reviewer, *American Journal of Managed Care*
- 2008-2011 Board Member, Evidence Based Medicine - *DIA-Special Interest Area Communities*
- 2007 Mentor, *Academy of Managed Care Pharmacy*
- 2007-present Reviewer, *Value in Health*
- 2005-2006 Member, Center for Health Transformation
- 2005-present Reviewer, *Disease Management and Health Outcomes*
- 2005-present Reviewer, *Southern Medical Journal*
- 2002-present Reviewer, *Journal of the Academy of Managed Care Pharmacy*
- 1996 Reviewer, MacMillan/McGraw Hill - Health Education  
Textbook, Health 1998, (Grades 1-6).

Regional Service:

- 2005 Member, External Advisory Committee, Center for Education and Research on Therapeutics of Musculoskeletal Disease (CERT), University of Alabama at Birmingham
- 1995 - 1999 Member, Southeast Regional Injury Control Network

State and Local Service:

**Interests & Experiences**

---

**Why are you interested in serving on a Board or Commission?**

I am vested in the progression of human kind, especially vulnerable and minority populations. I have worked with various populations, such as individuals with disabilities, the elderly, low socioeconomic persons, women, as well as many more; and have aimed in all of my vocational and volunteer activities to advance those in society. I would love to serve on a Board or Commission as I could use the knowledge and experience I have gained to aid in furthering the former.
