Interests & Experiences

Why are you interested in serving on a Board or Commission?

I believe that everyone plays a role in their community, whether it's something as small as lending a neighbor something to borrow or stepping up as a community leader. I am eager to expand my community involvement in ways that align with my passions: healthcare, equity, and ensuring equal opportunities for everyone. I want to engage directly in my community, bringing my commitment to caring about people first and aiming to make a meaningful impact. I hope my career in healthcare, engineering background, and my previous experience serving on a board for my alma mater could be beneficial to the board.

Work Experience

I have spent my career thus far in the healthcare sector and hold a Masters in Healthcare Administration from UNC. Healthcare is a system that touches everyone, and there are so many needs for improvement. I began my career as a management engineer at Duke Health, where I supported small community hospitals in a joint venture with Duke. My experience expanded as I worked with the Women's and Children's services at Duke, and I recently transitioned into healthcare consulting. In my current role, I work for with a wide variety of hospitals and health systems, continually broadening my expertise. Throughout my career, I have learned valuable project management skills and aim to consistently earn the trust of my clients.

Volunteer Experience

I have found great enjoyment and purpose in being involved in various volunteer groups throughout my life. At Duke, I co-founded my department's DEI committee and served on the broader Duke Health Diversity, Equity, & Inclusion Leadership Council to foster cross-entity collaboration and address policy and strategy across DUHS. For the last three years, I served as chair for a young alumni board for Industrial and Systems Engineering at Virginia Tech. In this role, I led a 35-member young alumni board to support the department by providing professional and academic development opportunities for current students and engaging and developing a network of young alumni. Now that my time as chair on the board has concluded, I am excited to find my next involvement and hope to contribute to my community.

Education

Masters of Healthcare Administration: UNC - Chapel Hill (2021 - 2023) B.S Industrial and Systems Engineering - Virginia Tech (2014 - 2019)

Comments

While my background is in healthcare, there are many other areas that I'd be interested in learning more about! If there is a different board that you believe my background better aligns with, I would be interested in learning more! Thank you so much for your consideration.

Work Experience

Huron Consulting Group

Raleigh, NC

Healthcare Associate

October 2023 – Present

- Operationalized and oversaw the build of a Humanitarian Emergency Response and Relief Center for New York City Health and Hospitals to house 3,500 asylum seekers. Collaborated with over 20 different government agencies to create safe housing for asylum seekers and provide basic needs for adult and family with children populations to ultimately open the largest homeless shelter in the country.
- Partnered with the Huron Data & Analytics team at a multi-hospital system to generate new data findings from the MyRounding tool, develop action plans, and serve as project manager. Ensured data findings drove improvement opportunities and provided a clear outline for data use cases. Additionally completed pain point assessments and process maps on functional and technical issues.
- Drove operational efficiencies for a Safety Net hospital, saving over \$3.5 million on Clinical Throughput and Perioperative Services workstreams by restructuring the hospital governance structure, building KPI dashboards, developing various tools and documents, and providing continuous learning sessions for team members.

Duke Health

Durham, NC

Women's & Children's Health System Engineer

October 2021 – September 2023

- Provided analytical and process improvement support on quality initiatives and system-wide projects for multidisciplinary DUHS Women's and Children's teams; present findings to C-level audience to receive leadership buy-in and alleviate solution barriers
- Utilized Lean and Six Sigma tools to transform the Women's service line into a "model cell area" to minimize patient length of stay as part of a larger health system goal to save \$5 million
- Project managed 29 teams with over 100 individuals to successfully move the Duke Family Planning Clinic to an inpatient unit over the span of four weeks to be in compliance with the new abortion regulations from Senate Bill 20
- Coordinated an \$86 million annual labor budget process for the service lines 1,000+ employees and assisted with the labor planning for 6 new Children's inpatient units and a new Women's postpartum unit
- Facilitated a Kaizen Event to improve the breast milk collection and delivery process across 11 Children's units which minimized patient safety events by 40% equating to \$60,000 in savings
- Automated monthly data pulls for Solutions for Patient Safety, a mandated monthly submission to ensure no child will experience serious harm, to streamline process, save time for front-line staff, and provide reoccurring analysis

Duke LifePoint Management Engineer

August 2019 – October 2021

- Provided technical support, solutions, and training to senior leadership and C-Suite members of 14 Duke LifePoint hospitals across 3 states
- Collaborated with multidisciplinary teams to develop standard metrics using the Balanced Scorecard framework to measure improvement; enabled common terminology amongst varying stakeholders from front-line staff to C-suite members when making decisions
- Developed and maintained 200+ automated dashboards and graphs for hospital departments to track, visualize and report performance on selected metrics; provided continuous technical training to directors

Education

The University of North Carolina at Chapel Hill

Chapel Hill, NC

Master of Healthcare Administration

Aug 2021 - Aug 2023

Virginia Polytechnic Institute and State University (Virginia Tech)

Blacksburg, VA

B.S. Industrial and Systems Engineering with a minor in Business, Cum Laude

Aug 2014 - May 2019

Volunteer Leadership Experience

Diversity, Equity, & Inclusion Committee at Duke Health

Durham, NC

Founder + Co-Chair, Member

Fall 2020 – September 2023

- Implemented internal committee with 6 sub-committees and 20 members to initiate department-wide training and work directly with department and health system leadership to advance racial, social, and health equity within the department
- Serve on the Duke Health Diversity, Equity, & Inclusion Leadership Council to create cross-entity collaboration, address policy and strategy across DUHS, and provide both education and a safe space to discuss issues

Emerging Leaders Board for Industrial and Systems Engineering at Virginia Tech

Durham, NC

Chair

Fall 2019 - Present

- Elected to lead a 35 member young alumni board to serve as an execution arm of the ISE Advisory Board
- Provide professional and academic development opportunities for current students; engage and develop a network of young alumni
- Outcomes: Increased student awareness by 70%, increased alumni awareness by 35%, increased diversity by 21%, increased donations among board members and other young alumni by 42%

Interests & Experiences

Why are you interested in serving on a Board or Commission?

I've been involved in research and work related to juvenile crime since 2019 both within and outside of my academic career, including teaching multiple courses on juvenile delinquency and volunteering for at-risk youth programs. I've also provided media commentary on juvenile crime policies in Roanoke and Lynchburg, VA when I lived in the area. Although I currently work as a criminal justice professor at ECU, I reside in Raleigh, and am interested in serving on the council to be involved in my community and contribute. Although the Juvenile Crime Prevention Council is my first choice, the other preferences include criminal justice- or higher education-related, all of which I'm experienced in some way and am confident I can contribute.

Work Experience

1. Assistant Professor of Criminal Justice and Criminology, East Carolina University, 2024-present 2. Assistant Professor of Criminology, University of Lynchburg, 2022-2024 3. Graduate Teaching Assistant, University of Florida, 2018-2022 4. Student Trainee, DOJ US Attorney's Office, 2015-2019

Volunteer Experience

1. Blue Ridge Regional Jail Authority Faculty Consultant, Prisoner Reentry Program, Lynchburg, VA, 2022-2024 2. Stop Now and Plan Juvenile Prevention Program Facilitator, Gainesville, FL 2019-2022

Education

1. PhD in Criminology & Law, University of Florida, 2022 2. MS in Criminal Justice, Florida Gulf Coast University, 2018 3. MPA in Public Administration, Florida Gulf Coast University, 2018 4. BS in Criminal Justice & Forensic Studies, Florida Gulf Coast University, 2016

Interests & Experiences

Why are you interested in serving on a Board or Commission?

I'm interested in serving on a Board or Commission because I want to be involved in the kind of work that genuinely impacts people's lives. I've had experiences in different leadership roles where I've seen firsthand how meaningful decisions and policies can change things for the better. I want to be part of a group that listens to the community and works towards practical solutions in areas that really matter and I'm glad I was able to find an opportunity like this to share my interests and make Wake County a better place.

Work Experience

Wake County Board of Elections - Election Assistant Black & White Coffee (RDU Airport) - Barista

Volunteer Experience

Wake County Public Libraries - Teen Leadership Corps NC DHHS - Problem Gambling Advocate (Student Perspective) Dorcas Ministries - Cashier/Bagging Green Hope High School Media Center - General Volunteer

Education

ETHICS GUIDELINES FOR COUNTY ADVISORY BOARDS AND COMMISSIONS

By submitting this electronic application, if appointed, I pledge by my signature below that I have read and will comply with the ethics guidelines for advisory boards and commissions as adopted by the Wake County Board of Commissioners, found [here](#).

ABOUT ME	Dedicated and accountable student with a background in public affairs, seeking an internship at NGA. Specialties include threat assessment, crisis management, and teamwork.	
	Qualifications • Certified in Premiere Pro, Photoshop, and Illustrator by Adobe • Awarded 5th place in North Carolina for Advertising Design at SkillsUSA	Core Skills • Honest • Adaptable • Respectful • Proactive

EXPERIENCE	Student, Federal Bureau of Investigation (FBI) Teen Academy July 2024 - Present • Selected by the Charlotte Field Office from teenagers across North Carolina and South Carolina to participate in a highly competitive week-long program shadowing FBI Special Agents, Support Agents, and staff. • Instructed on and executed self defense, anti-sextortion, anti-terrorism, and criminal investigative tactics (gathering evidence, interviewing witnesses, analyzing case studies). • Worked in a team to identify potential problems and provide unique resolutions for closed FBI cases with guidance from intelligence analysts, language specialists, and other professional staff. • Currently serve as a peer mentor for students at Green Hope High School, a resource against criminals. Job Shadow, Town of Cary PIO (Public Information Officer) May 2024 - Present • Shadowed the Public Information Officer of my Town for three months, assisting citizens at public information sessions and creating content for the Town's social media accounts. • Participated in the Town's Emergency Operations Center for the annual Lazy Daze Arts and Crafts Festival which was a gathering of thousands of people and over 250 artists from across the country. Monitored social media accounts for any crises not reported through official channels and sent reminders to citizens during the festival ensuring that they were aware of hydration, safety, and recycling centers. • Submitted an extensive blueprint for a potential Town of Cary PIO internship detailing internship objectives, how the student and the Town will benefit from the internship, and potential hurdles for the creation of program. Officer of the Day, Black Falcons Cybersecurity Team April 2022 - Present • Competed in three seasons of the Air Force Association's CyberPatriot competition as a networking specialist, solving security challenges related to the configuration of network topologies and computer networks. • Worked in a highly competitive and ambitious team to win the title of first place in North Carolina while focusing on Cisco Packet Tracer, Ubuntu, and Debian. • Currently lead the user interface team of my school's first ever emergency communications app created after the 2024 Apalachee High School mass shooting to ensure that teachers at my school are armed with a mobile panic button. • As Officer of the Day (permanent board position), maintained attendance records and lead communications. Social Media Manager, Varsity Baseball at Green Hope February 2023 - Present • Posted live in-game recordings of hits and runs, team hangouts, and player statistics. • Operated in a fast-paced, detail-oriented environment under scrutiny from multiple stakeholders, including coaches, fans, players, and school administrators. • Grew the X (Twitter) account by 11% YoY and the Instagram account by 12% YoY. • Reached over 2200 unique accounts on X (Twitter) and over 3000 unique accounts on Instagram in the Spring 2024 season. • Managed sponsorships and fundraisers with organizations such as Chipotle Mexican Grill, Panera Bread, and Howdy Homemade Ice Cream. • Nominated by school officials to create and lead the new Varsity Basketball social media team in the Winter 2024 season.
