

**Item Title:** Public Hearing to Consider Renaming a Portion of Morrisville Carpenter Road

**Specific Action Requested:**

**That the Board of Commissioners holds a public hearing and adopts the attached ordinance to rename permanently a 0.3-mile portion of Morrisville Carpenter Road as Indian Wells Road and Saunders Grove Lane, effective January 15, 2024.**

**Item Summary:**

**Purpose:** State statute requires the Board of Commissioners to hold a public hearing to rename state-owned streets outside the corporate limits of municipalities.

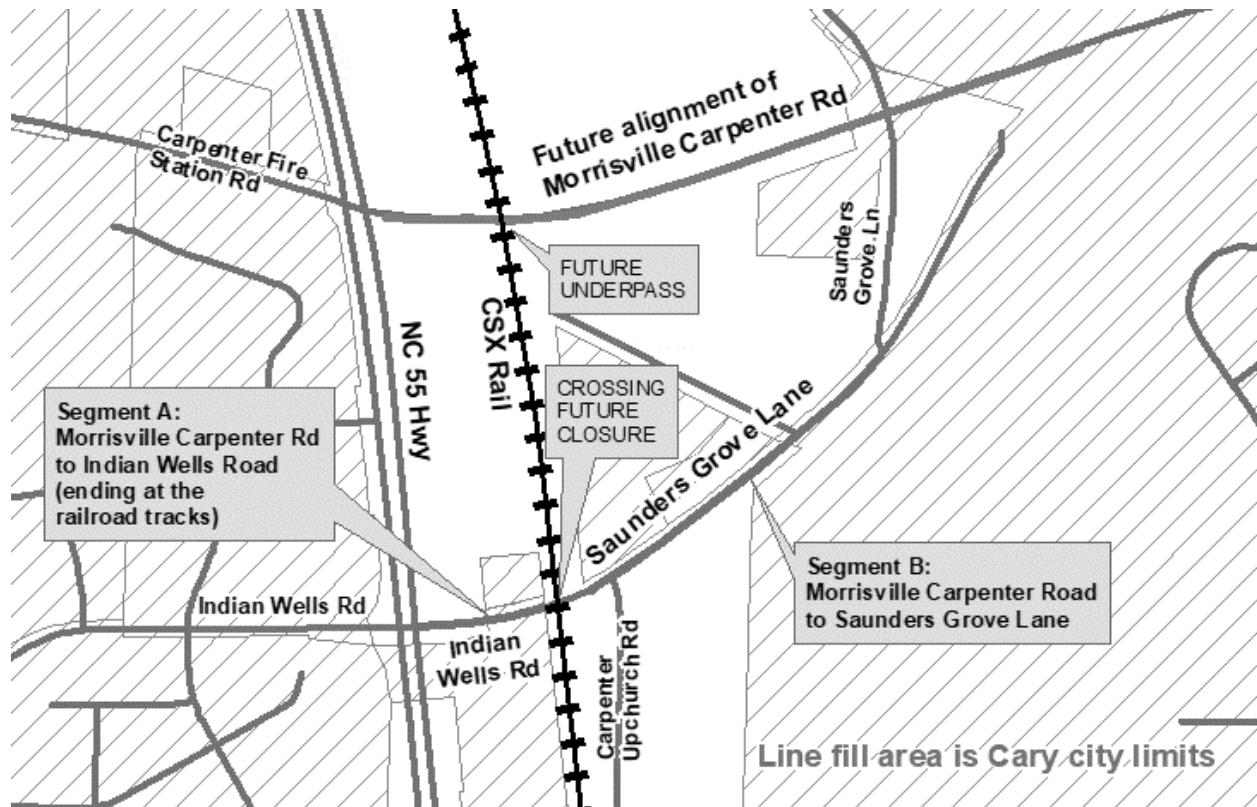

**Background:** On November 16, 2023, the Town of Cary passed a Resolution to change the name of the street segment that is affected by the closure of a CSX railroad crossing as part of a project to realign Morrisville Carpenter Road. This project reroutes Morrisville Carpenter Road, adding an underpass at the rail crossing, and changes the traffic flow. It is related to a previous road renaming in 2019. Portions of this road are in the extraterritorial jurisdiction and require the county to hold a public hearing before the Board of Commissioners. North Carolina General Statute § 153A-239.1(a)

**Board Goal:** This action supports standard County operations.

**Fiscal Impact:** The town will replace four street signs, no cost to the county.

**Additional Information:**

The proposed name changes in the unincorporated area affect one business and no residences.
