## DINNER

## **TOPIC:**

Our Growing Community

## **TABLE SETTING:**

During this evening's meal, we ask that you engage in sharing and listening to your colleagues' experiences with and viewpoints on our growing community. As community leaders, decisions you make today will impact Wake County for decades.

## **ETIQUETTE:**

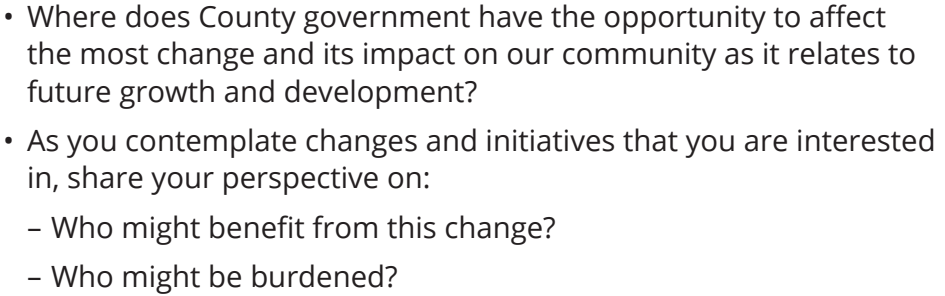

- Remember, this is a whole table conversation – no sidebar conversations with those seated next to you. You may not speak directly to your neighbor.
- Listen to understand vs. to respond – each of you will have an opportunity to share your perspective.
- Remember all perspectives and experiences are valid.
- Tonight's conversation is not about seeking universal truth. It is about understanding individual experiences and how those experiences impact individual perspectives and, ultimately, how that will shape public policy in Wake County.

## Personal Reflections

- [illegible]

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface. There is no handwriting or other markings on the paper.
