## **Interests & Experiences**

**Why are you interested in serving on a Board or Commission?**

---

I currently oversee Community and Safety portfolio, which includes Fire, Police, Parks and Recreation and Community Development (Affordable Housing, Community Engagement and Code Enforcement). Serving on the Fire Commission will give me the opportunity to learn and gain some valuable insight in public safety for Wake County as a new resident of Wake County and the Apex Community. As an member of this commission will help me to represent my community to be build excellence in public and community service and a better program when it comes to keeping our communities safe.

## **Work Experience**

---

I have over 20 years of experience working in various communities in Ohio, Mississippi, Louisiana, South Carolina to provide affordable housing solutions and safe communities where public safety was a major focus. Most of my career has been leading large metropolitan housing authorities where I worked with public safety (fire and police) programs to help families stay safe and to practice safety measures in their homes and community. While working on the private side of government, I have worked on various projects to develop policies and procedures for federal agencies like HUD around public safety measures for communities. I have worked with public safety on various disaster preparedness projects and have worked in actual disaster recovery efforts with public safety while relocating families during major hurricane efforts.

## **Volunteer Experience**

---

My volunteer experience includes working with underserved communities doing housing repairs and working in disaster areas. I am from the MS Gulf Coast where communities experience natural disasters like hurricanes and tornadoes. I serve as a mentor to young women and men who are from underserved communities to help them to make sure they have the tools and resources they need to fulfill their life and career goals.

## **Education**

---

B.S. Degree in Community and Regional Planning Graduate Studies in Economic Development Executive Education - Harvard University John F. Kennedy School of Government

## **Comments**

---

As a new resident of Wake County and Assistant Town Manager of the Town of Apex, I look forward to having the opportunity to serve on the Wake County Commission and to learn from those who serve on the commission and the multitude of information and resources Wake County has to offer through the Fire Commission. I am humbled and honored by the support of Town Council to approve the opportunity for me serve on this commission.

## Interests & Experiences

Why are you interested in serving on a Board or Commission?

I believe my work and government experience can be an asset to the county.

## Work Experience

I am currently finishing out my first term on the Apex Town Council. I've worked for Microsoft for the past 18 years, during that period I've worked on some of the toughest and most complex areas in the company. Currently I work on the backend code generation team for the C++ compiler, and before that I worked on the database storage engine for Microsoft Outlook, mostly on performance related issues.

## Volunteer Experience

I served on my communities HOA board and am a prior member of the Council of Review board for NCDP. I look for various volunteer opportunities around my community through several organizations, including CAPA (Citizens Assisting Police in Apex).

## Education

MBA (with a concentration in IT Management) and a BS in Computer Science

## Comments

Also of note; I'm a remote employee with a flexible schedule.
