Interests & Experiences

Why are you interested in serving on a Board or Commission?

I am interested in serving on the Juvenile Crime Prevention Council for several reasons. First, I was responsible for managing a JCPC-funded program in Durham, NC for the past 4 years. I am very familiar with the work of the JCPC and understand its importance to the community in which I reside. Second, I am very familiar with issues related to youth involvement in the juvenile justice system, risk factors that make youth more vulnerable to juvenile delinquency, and the types of programs that are effective in reducing delinquency. Last, I have spent the last 25 years working on juvenile justice and crime issues, and it is a passion for me. I would like to be involved with the work that the JCPC is doing in Wake County, as this is where I live.

Work Experience

I am currently a consultant who owns my own consulting company, and I work with local communities to help them conduct community gang assessments. I am currently working with the country of Belize and a community in Washington State. Prior to this position, I was the program manager for Project BUILD, a gang intervention program, and Bull City United, a violence intervention program, in Durham County from 2013 - 2018. Before moving to North Carolina, I worked for the National Gang Center in Tallahassee, Florida for 14 years (1999-2013) and provided technical assistance and training to local communities on implementing effective gang strategies and programs. From 1994 - 1999, I worked for the Salt Lake Area Gang Project and provided direct intervention services to gang-involved youth.

Volunteer Experience

To be quite honest, I have not been able to volunteer much in recent years because I have been so busy with work. However, that is why I am applying for this position on the JCPC. As a self-employed consultant, I have time to be involved, and would like to use my knowledge and experience to benefit my community.

Education

BA - English and Communication, William Jewell College, 1989 MS - Criminal Justice, Florida State University, in process
