Hi Toni,

Mr. Ben Mills says he has executed the online Advisory Board form for his nomination to the Garner Planning Board as an ETJ member. Let me know when you see it and confirm this can go to the Jan 6th BOC meeting.

Thanks, Tim

I submitted my application on the County's website so Tim should see it now.

Ben,

It's a little bit of a complicated process and Planning is generally not included in it, but Wake County has asked me to forward you the following link. This is so you can fill out the necessary

form from the county for approval as ETJ member for Garner on our Planning Commission.

If you have questions or need anything, let me or Jeff know. You may also contact Tim at Wake County if necessary.

We will all help you though the process as we can.

Thanks,

Thomas Waltersdorf

Thomas,

We need to have Mr. Mills fill out the Wake County Advisory Board online form in order to appoint him to your board. Here is a link...

See if he can do this soon, next few days.

Thanks, Tim

Sharon and Tim,

Jeff wanted me to touch base with you two about a new ETJ member appointed to Garner Planning Commission. I have attached a file with his information. His name is Ben Mills, and he works as a Stormwater Engineer in Morrisville. We were curious is he has officially been granted his seat from the County.

We weren't sure if you had heard, and Jeff just wanted me to check next steps with you.

Thanks!
