Good afternoon, Yvonne.

Thank you for reaching out regarding reappointment to the OSPAC. After much thought I've decided not to seek reappointment to this Committee. I've enjoyed being on the Committee and working with the great group of members and staff, but my interest/heart is more on the sports recreational aspects of the parks rather than the soil/land preservation aspect.

It was an honor to serve on this very necessary Committee and with such a group of dedicated, hardworking and committed members and staff.

I am currently researching other committees for possible appointments.

Ernestine Durham
