**Board Goal:** This Board action supports routine County operations.

**Fiscal Impact:** Funding is available from the Land Acquisition Component of the Board of Education's Capital Improvement Plan Funds for the purchase price together with closing costs in an amount not to exceed \$228,545.

**Additional Information:**

**Need for Acquisition:**

The Board of Education utilizes ongoing data-driven processes to identify school site locations needed to address growth and crowding in the Wake County Public School System. Acquisition needs were identified in the southern Wake County area for additional capacity. Given the growth and development in the area, current utilization levels in area schools, the distance to existing and planned schools, and specific regional instructional program, the need for a land bank site in the area is well supported. In response thereto, the Board of Education acquired a 60.999 acre elementary and middle school site (E-49/M-15) in the area on March 9, 2018, which acquisition was approved by the Board of Commissioners on February 19, 2018. The subject parcels are adjacent to the Board of Education's E-49/M-15 land bank site and

their acquisition will be beneficial to land bank for design flexibility in meeting identified future school site needs.

### **Land Acquisition Criteria:**

The proposed acquisition consists of two parcels of land containing a total of 1.26 acres and improvements thereon (PIN 0656-91-0547 and PIN 0656-81-9335.) located on the eastern side of S. Main Street, in the northeastern quadrant of its intersection with Bowling Road, Middle Creek Township, Fuquay-Varina, Wake County, North Carolina. The parcels are located immediately adjacent to the E-49/M-15 site, and lie between the western boundary of the school site and S. Main Street. The parcel is owned by Betts Properties II, LLC, and is located in the Town of Fuquay-Varina's jurisdictional limits within and is currently zoned RA (Rural Agricultural). The Town's Long-Range Planning Map identify the site for future small lot residential development.

There are existing structures located on the subject property, including a 2,167 SF house used for residential rental, a small outbuilding used for storage, and a 1,500 SF building used for commercial rental. The structures are expected to be demolished to promote site safety and sustainability until the parcel is further developed for school use. The subject property site location is depicted below:

### **Other Due Diligence and Site Assessment:**

Due diligence studies procured included a Phase I Environmental Site Assessment including lead paint and asbestos studies. WCPSS staff has also had collaborative discussions with Town of Fuquay-Varina staff to review and discuss the acquisition of the subject property. Upon acquisition, the subject property will be recombined by survey with the E-49/M-15 site. The addition of the Betts Properties II, LLC parcels will provide additional road frontage and design flexibility, and will support more effective provision of pedestrian access to the multi-school site.
