

**Wake County Juvenile Crime Prevention Council
Appointment Recommendations
December 29, 2015**

The Wake County Juvenile Crime Prevention Council (JCPC) recommends the following people for re-appointment by the Board of Commissioners to fill several statutorily specific and two at-large seats on the JCPC. Each of these members has been active within the Council and all have expressed interest in continuing their work.

Eric Johnson	Alliance Behavioral Healthcare
Kim Herrington	Wake County Human Services DSS Designee
Judge Vinston Rozier	Chief District Court Designee
Phillip Sutton	Wake County Sherriff Designee
George Currie	At Large
Carla Huff	At Large

Lastly, we recommend that Laurie Williamson of the United Way of the Greater Triangle, who has been in the nonprofit seat, be replaced by Nick Allen, also of the United Way of the Greater Triangle.

We appreciate your thoughtful consideration of their re-appointment to the Wake County Juvenile Crime Prevention Council.
