Good Morning Toni

Happy Friday!!!! I'm reaching out to you because one of our Commissioners has resigned from our Board. See email below.

We will need to put our applications for a new Commissioner. How would we go about that process?
Liz

Greetings:

It is with great sadness that I send this resignation correspondence. As you all know I am a doctoral student and the dreadful but exciting time for dissertation writing has come. I have had to evaluate my many obligations and have reached a conclusion that some things must be paused in order for me to function and complete this dissertation healthily. I have learned a great deal from my time on this board and the people that I have met have been gracious and wonderful. Thank you all and I will see you again prayerfully with a different title.

Respectfully,
Keemia H, Shaw
