Wake Wheels for Health Minibus Overview

@wakegov    

wake.gov

Purpose of Wake Wheels for Health

- A staff-coordinated resource delivering essential Public Health resources and programs to communities across the county.
- Wake Wheels for Health creates opportunities for communities to connect with resources, services, community partners and stakeholders, promoting fair access to health resources for all.
- To date, over 300 residents have been served.

Services Included...

- Health screenings (Blood Pressure, Glucose/blood sugar, Cholesterol)
- HIV/Syphilis/Hep C testing (blood sample)
- Bike Safety and Education
- Educational “Spin the Wheel”- can be tailored specifically to Nutrition, Tobacco Prevention, Physical Activity, or General Wellness.
- Car Seat Checks
- General Nutrition or Wellness Presentation
- Community Health Workers (assist community members to connect resources and navigate health and social services)
- Maternal and child health education
- And more!!!!
