Advisory Boards have been established to increase community input and participation in Town government. Some advisory boards exist to advise and make recommendations on important policy matters to the Apex Mayor and Town Council, while others have regulatory responsibilities that are established by law.

Members of advisory boards provide an invaluable service to our Town, and the Town of Apex Mayor and Town Councilmembers appreciate the interest of all residents willing to serve their community through participation on Town advisory boards.

The Apex Mayor and Town Councilmembers are committed to appoint diverse, qualified, and dedicated people to these advisory boards to achieve board membership with people of all ages, interests, and backgrounds. All appointments are taken with great care by the governing body for the Town of Apex. Factors considered in appointments and reappointments include eligibility, civic and political participation, equitable geographic and diversity representation, skill sets, and board attendance.

Applicants seeking appointments to a specific board are strongly urged to attend several meetings of the board prior to completing and submitting an application.

Completed applications are retained in the Office of the Town Clerk until such time that a vacancy occurs or for up to one-year from the application submission date. Please note, your completed application is subject to public inspection upon request.
