## **ETHICS GUIDELINES FOR COUNTY ADVISORY BOARDS AND COMMISSIONS**

## ETHICS GUIDELINES FOR COUNTY ADVISORY BOARDS AND COMMISSIONS

By submitting this electronic application, I pledge that, if appointed I agree by my signature below that, if appointed, I pledge to comply with the following ethics guidelines for advisory boards and commissions as adopted by the Wake County Board of Commissioners.

### I. Declaration of Policy

The proper operation of democratic government requires that public officials and employees be independent, impartial and responsible to the people; that governmental decisions and policy be made in proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government.

In recognition of these goals, a Code of Ethics for County officials is hereby adopted. The purpose of this policy is to establish guidelines for ethical standards of conduct for all such officials by setting forth those acts or actions that are compatible with the best interests of the County.

### II. Applicability of Ethics Policy

The provisions of this policy shall apply to all elected and appointed County officials, members of County boards and commissions appointed by the County commissioners, and other County employees.

### II. Financial and Personal Disclosure

Any County official or employee who must officially consider any public matter involving his financial or personal interests, or those of his immediate family, shall first publicly disclose the nature and extent of such interest and shall abstain from acting thereon unless provisions of state law require otherwise.

### III. Gifts and Favors

No official or employee shall knowingly accept any gift, whether in the form of money, thing, favor, loan or promise, when it could reasonably be inferred that the gift was intended to influence or reward an official action on his part. Gifts, meals, other favors of an incidental nature and of minor value, or legitimate political contributions shall not be included in this policy.

### IV. Appointment, Employment, or Contract Award of Relatives or Business Partners

Public officials of the appointing authority must disclose on the public record any person of their immediate family related by blood or marriage, or business interest who is being considered for appointment, employment or contract award by that authority.

Immediate family related by blood and marriage are to include: spouse, child, parents, brothers, sisters, grandparents, grandchildren, step-, and in-law relationships for preceding categories.

## Why are you interested in serving on a Board or Commission?

---

I have served on a number of boards over the last twenty-two years including the Chamber of Commerce, Fuquay-Varina Downtown, Raleigh Professional Women's Forum, Duke Patient Advisory Board, North Carolina Association of Designers and Illustrators. I enjoy the team work and I think there is real value in listening to a wide range of opinion as decisions are made for citizens and members. My children grew up in Fuquay Varina and we used the park system throughout their childhoods. I am very interested in the expansion of our greenways and parks system and in the opportunity they provide residents of our county.

## Work Experience

---

I have owned and operated a graphic design and brand consulting business for the past twenty-two years. In my earlier work career, I was a special education teacher.

## Volunteer Experience

---

I have volunteered since junior high. I began as a Candy Striper at the local hospital. I've taught Sunday school, driven for Meals on Wheels, volunteered at Chamber and Downtown events for the past twenty-two years and volunteered with a variety of non-profits on charity events. I have volunteered for several political campaigns.

## Education

The proper operation of democratic government requires that public officials and employees be independent, impartial and responsible to the people; that governmental decisions and policy be made in proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government.

In recognition of these goals, a Code of Ethics for County officials is hereby adopted. The purpose of this policy is to establish guidelines for ethical standards of conduct for all such officials by setting forth those acts or actions that are compatible with the best interests of the County.

### III. Gifts and Favors

No official or employee shall knowingly accept any gift, whether in the form of money, thing, favor, loan or promise, when it could reasonably be inferred that the gift was intended to influence or reward an official action on his part. Gifts, meals, other favors of an incidental nature and of minor value, or legitimate political contributions shall not be included in this policy.

## Why are you interested in serving on a Board or Commission?

---

I became familiar with Wake County's open land program when my family sold a large tract to the Trust for Public Land in 2008. This is now owned by Wake County as Procter Farm Preserve. I managed the sale for the Procter family so came to meet Chris Snow in learning about Wake County's intended use. We are so pleased with the plan. Open lands is a great program.

By submitting this electronic application, I pledge that, if appointed I agree by my signature below that, if appointed, I pledge to comply with the following ethics guidelines for advisory boards and commissions as adopted by the Wake County Board of Commissioners.

### I. Declaration of Policy

The proper operation of democratic government requires that public officials and employees be independent, impartial and responsible to the people; that governmental decisions and policy be made in proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government.

### III. Gifts and Favors

No official or employee shall knowingly accept any gift, whether in the form of money, thing, favor, loan or promise, when it could reasonably be inferred that the gift was intended to influence or reward an official action on his part. The proper operation of democratic government requires that public officials and employees be independent, impartial and responsible to the people; that governmental decisions and policy be made in proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government.

## Why are you interested in serving on a Board or Commission?

---

I am interested in serving on my desired boards and commissions as I am extremely interested in giving back to my community. I have previous experience serving on the City of Raleigh's Bike and Pedestrian Advisory Commission (BPAC) but had to resign due to my moving outside of the city limits. My background is primarily focused on transportation and real estate, and I would welcome the opportunity to provide that to the great work going on in these groups.

By submitting this electronic application, I pledge that, if appointed I agree by my signature below that, if appointed, I pledge to comply with the following ethics guidelines for advisory boards and commissions as adopted by the Wake County Board of Commissioners.

### II. Financial and Personal Disclosure

Any County official or employee who must officially consider any public matter involving his financial or personal interests, or those of his immediate family, shall first publicly disclose the nature and extent of such interest and shall abstain from acting thereon unless provisions of state law require otherwise.

### III. Gifts and Favors

No official or employee shall knowingly accept any gift, whether in the form of money, thing, favor, loan or promise, when it could reasonably be inferred that the gift was intended to influence or reward an official action on his part. Gifts, meals, other favors of an incidental nature and of minor value, or legitimate political contributions shall not be included in this policy.

### IV. Appointment, Employment, or Contract Award of Relatives or Business Partners

Public officials of the appointing authority must disclose on the public record any person of their immediate family related by blood or marriage, or business interest who is being considered for appointment, employment or contract award by that authority.

Immediate family related by blood and marriage are to include: spouse, child, parents, brothers, sisters, grandparents, grandchildren, step-, and in-law relationships for preceding categories.
