Hi Toni! My sincerest apologies for the delay. There are a lot of moving parts on our end in terms of new SDAC member recommendations!

For the three aforementioned members, both Steven Pearson and Ostra Jewell have resigned their positions as they no longer work at RTP companies. Stephanie Harris, however, is happy to renew her term.

From the county administrative side, how much flexibility would we have in recommending new members to the SDAC to fill these vacancies? Hopefully we will be able to identify some candidates in the next few months, but certainly before the next DWSD budget meetings next Spring.

Thanks so much!

Hello Spencer,

Hope this message finds you well.

I am writing to ask a question regarding term dates for the 3 members to be reappointed to the SDAC.

The following members will be reappointed during tonight's Wake County BoC meeting and I just wanted to confirm their term dates. I noticed that their previous term date started in January. I normally set start dates to reflect the date the board approves the appointment, so in this case, it would be today, June 3. For term ending date, I would set it 3 years from today's date.

Please confirm if this aligns with your records.

Best regards,  
Toni

Good morning Spencer,

Hoping this message finds you well. I am writing to ask a couple of questions regarding members that I have listed for reappointment to SDAC. Can you please confirm if these members are up for reappointment in the month of June? Also, would you be able to provide me with an attendance report for SDAC. I would like to provide it to the Board of Commissioners, so they have confirmation that the Wake members appointed to this board are actively attending the meetings.
