Hi Toni,

Sorry for the delay in getting back to you. I am interested in serving as Wake Forest's representative. Is there anything you need from me to proceed?

Thanks,

-Tim

Good afternoon Ms. Snyder and Mr. Watson,

Hoping this message finds you well. I'm writing to follow up on our email thread below to verify if Mr. Watson is still interested in being appointed to the Water Partnership Advisory Board, serving as the Town of Wake Forest representative. If so, I will add this to the September 3rd meeting agenda. If no decision has been made yet, then I can tentatively add it to the October 7th meeting agenda.

I don't want to proceed in error, so this message is just to verify.

Thank you both for your assistance and I look forward to hearing from you.

Best regards,
Toni

Toni- It is likely our Engineering Director, Tim Watson would fill this role. However, we are not ready to get in the full swing. Can you send us the list of meeting dates so we can determine when it makes the most sense from a priority and timing perspective to get in the swing of things? Thank you -Allison

Good morning Ms. Snyder,

Hoping this message finds you well.

My name is Toni Womack, Deputy Clerk for the Wake County Board of Commissioners. I oversee the appointment process for the Wake County citizen advisory boards, and write to follow up to a message I previously received from Mr. Glass regarding his resignation on the Water Partnership. Per Mr. Glass, he suggested that I follow up with the Town of Wake Forest to see if any recommendations have been made for a candidate to fill the open seat on the Water Partnership, for the Town of Wake Forest representative.

If you can please send me a note with your thoughts on this, that would be greatly appreciated.

Thank you Ms. Snyder for your assistance.

Best regards,

Toni

Good morning Toni,

I am writing to inform you of my decision to resign as a member of the Water Partnership. I have accepted another job opportunity and will be departing from the Town of Wake Forest. Currently, the Engineering department is undergoing a transition period with limited staff to assume this role. The Town is currently in the process of hiring additional staff. Therefore, I recommend allowing a few months for positions to be filled before reaching out to Allison Snyder, Assistant Town Manager/Interim Engineering Director, at her email address: asnzyder@wakeforestnc.gov.
