Dear Chairman Mial and Board of Commissioners:

I write this letter to you today to respectfully request your consideration in reappointing me to another term on the Wake County Alcoholic Beverage Control Board.

I was first appointed in July of 2018. I have also served over 30 years as a municipal elected official as well as various State and Federal advisory committees. In my time here with Wake County ABC, I have been part of overseeing impressive growth of this organization.

Our revenues have grown, our staff have increased providing jobs in our area, and additional facilities have been opened to better serve the public. As a Chairman and Board Member, I have worked hard to be a good steward of the revenues so that it can be returned to Wake County Government and the municipalities in our area.

If re-appointed, I promise to continue the same path and sound ethical guidance over Wake County Alcoholic Beverage Control. I thank you in advance for your time and consideration. If you should have any questions or need further documentation, then do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Lucius S. Jones".

Lucius S. Jones
Chairman

Wake County Clerk Yvonne Gilyard
