

Item Title: Consideration of 2026 Appointments to Regional Boards and Commissioner Assignments to Board Committees

Specific Action Requested:

That the Board of Commissioners:

- **Approves appointments of Commissioners to various regional boards and commissions for calendar year 2026, and,**
- **Approves Commissioner assignments to Board committees for calendar year 2026.**

Item Summary:

Each year the Board of Commissioners assigns liaison roles to dozens of regional boards of commissions in Wake County.

For several years, the Board of Commissioners has established committees to receive updates and consider draft policy ideas. In 2026, the Board anticipates using five committees, three members each. The committees expect to hold three meetings during the calendar year.
