Town Manager Collins,

Good morning and I hope this email finds you well on a Monday. Thank you for your willingness to serve on the Fire Commission in the Town Manager Representative position. This is a two year term, and you will serve year one as an alternate to Kip Padgett and year 2 you will serve as a primary. This allows you a full year to become familiar with the commission as we only meet quarterly. Meetings are the 2nd Thursday of January, April, July and October. We meet at the Wake County Emergency Services Center at 6pm and we do provide a light meal at 5:30pm for this meeting. This is an advisory committee for the Wake Board of Commissioners and is generally a county staff heavy led meeting. Please see the link below and fill out the application that is sent to the Board of Commissioners for approval. Once again Thank You and we look forward to working with you on this and other topics with the Town of Wendell in the future. Please let me know if you have any questions or concerns.
