

WCPSS Child Nutrition Services District Angel Fund Update

Jodi Moore, Sr. Administrator of Business Operations, Child Nutrition Services
October 28, 2024

Districtwide Angel Account Process

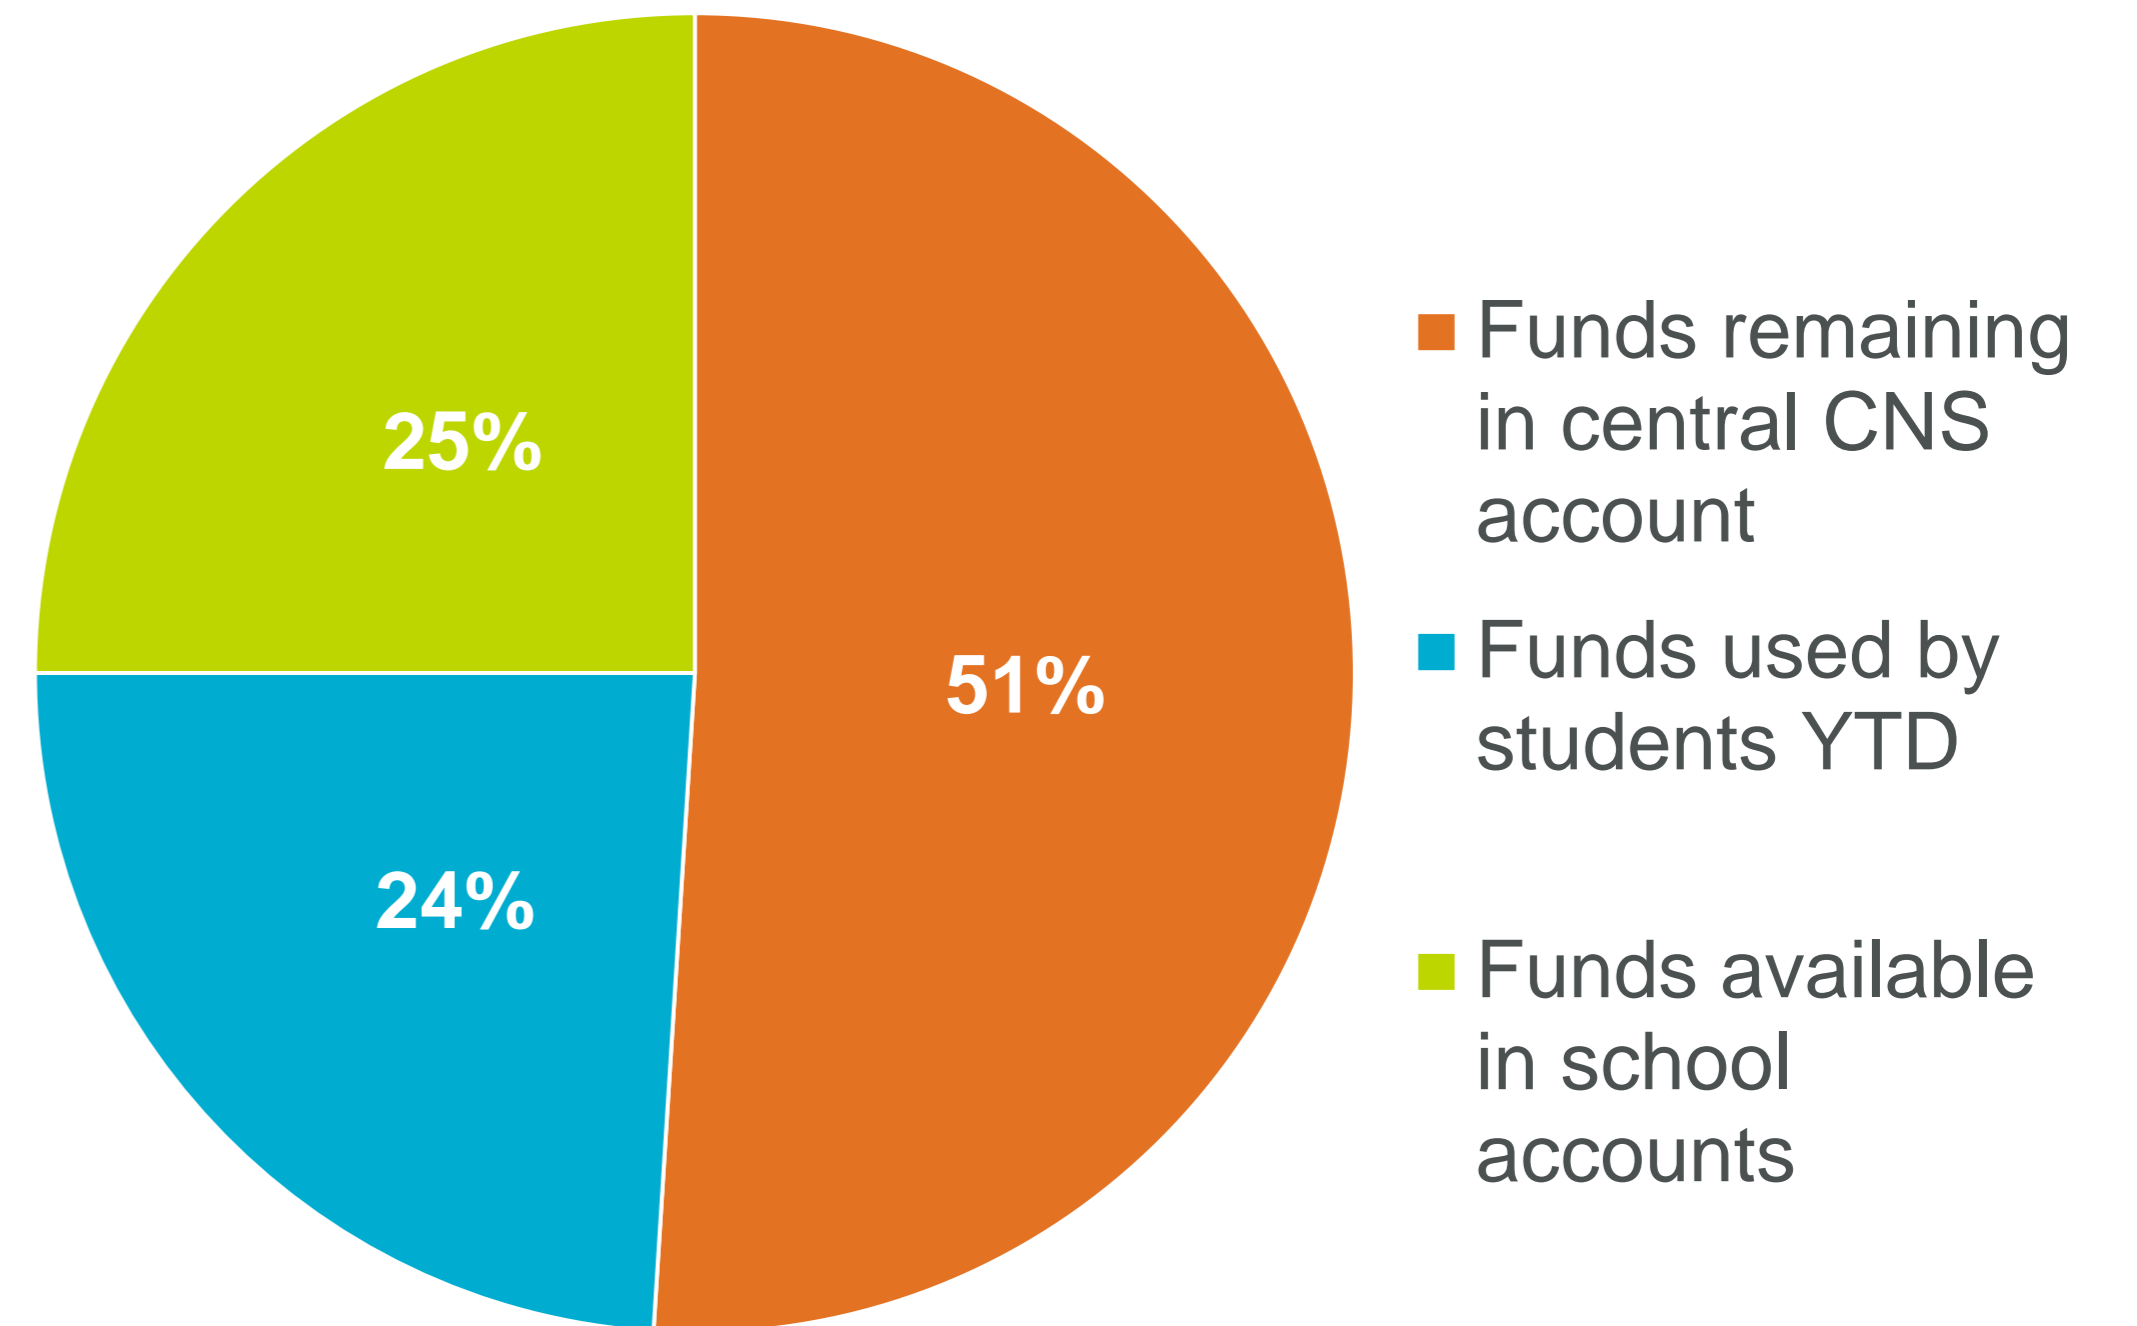

- Processed Districtwide Angel Fund donations are deposited into a central CNS account tied to a budget code designated strictly for these donations
- CNS central office staff monitors each school's Angel Fund account and when a school account begins to get low, staff transfers funds from the CNS central account to the school cafe's Angel Account
- When a student has reached their charge maximum and other sources to pay for their meals are not available, the school cafeteria staff uses the school café's Angel Account funds so the student can receive their chosen meal

Funds Received and Distributed to Students for Meals

As of Oct 15, 2024:

- **\$41,205.00** Total donations received
- **\$10,298.14** Funds transferred from the central account into individual school accounts
- **\$ 9,795.45** Funds transferred into student accounts to pay for their meal
- Meals served to students using donated funds
 - 831 Breakfasts
 - 2,779 Lunches
