Sarah Gaskill
Head of External Relations
FUJIFILM Biotechnologies

Sarah has more than 20 years of experience connecting people to people, people to resources and people to opportunities. As the Head of External Relations for FUJIFILM Biotechnologies, Sarah is responsible for developing the strategy and programs designed to favorably represent the North Carolina and Texas operations and make positive contributions to the community. She is focused on nurturing relationships between the company and employees, external key stakeholders and organizations, and our local community. She plays a key role in enabling leadership team members in building connections throughout the region, while identifying opportunities for partnerships.

Previously, Sarah served as Director of Leadership & Talent Acquisition at Accuro, a leading global talent acquisition solutions company. As President of the Morrisville Chamber of Commerce from 2015 – 2020, Sarah developed and implemented the organization’s strategic plan, highlighting the strength and continued growth of the Morrisville business community. Additionally, Sarah served as President of the Morrisville Innovation Foundation, building support and programming for high-growth start-ups, and led Morrisville’s economic development, recruitment, and retention efforts for Fortune 500 businesses in a range of industries including technology, health care, and pharmaceuticals. Earlier in her career, Sarah held several positions at the Greater Raleigh Chamber of Commerce.

Sarah continues to make an impact on her community and drive our regions forward by staying an active and involved member in multiple organizations and associations, serving as Chair of the Regional Transportation Alliance, as a Board Member for the Wake County Community Foundation and the North Carolina Business Committee for Education, and as a Board of Trustees member for William Peace University, her alma mater. Sarah also serves on the RTP 3.0 Advisory Committee, Wake County Economic Development Foreign Direct Investment Committee, and the Holly Springs Arts Council, among others.

Sarah is a graduate of Peace College, Raleigh NC (now William Peace University) with a BA in Communications and a concentration in PR and Advertising. Sarah and her husband James are proud to call the Raleigh area home, love to travel and enjoy trying new restaurants around the Triangle.

Summary of Qualifications

Proven leader who seeks diverse assignments that build upon my manufacturing expertise.

I am a chemical engineer with twenty-two years in chemical manufacturing focused on production management.

I am the site manager for a corporate headquarters agricultural solutions facility where I manage more than 20 employees including a staff of supervisors, logistics, engineer and maintenance coordination, and contract service providers. I have a diverse manufacturing and leadership background with direct, hands-on management in the following areas: plant management, process safety specialist/manager, production and lead process engineer, and environmental specialist.

Key competencies include: Problem solving and decision making, functional and technical skills, teambuilding and communication.

- Demonstrated ability to significantly increase manufacturing production rates aligned with the market leadership strategy without sacrificing safety.
- Led effort to cultivate relationships and improve communications in a unionized plant.
- Developed and maintained process safety compliance and regulatory environmental programs.
