Raleigh, NC 27602

Dear Wake County Board of Commissioners,

It is my pleasure to inform you that on July 26th at their quarterly meeting, the Wake County Agricultural Advisory Board voted unanimously to appoint Brittany Marshburn to fill the vacancy on the board. This appointment would bring the board to full capacity, filling the one vacancy.

The Agricultural Advisory Board is recommending Brittany because of her strong commitment to the Wake County agricultural community. Brittany's family recently enrolled their farm in the Voluntary Agricultural District program, and she has continued to advocate for the agricultural community since. It is the Agricultural Advisory Board's position that Brittany will be an inspiring board member for years to come.

If you have any questions or concerns, please direct them to the Farmland Preservation Coordinator, Loren Hendrickson (loren.hendrickson@wake.gov or 919-576-6411).

Sincerely,

Patrick Johnson

Patrick Johnson
Chair, Wake County Agricultural Advisory Board
