wake.gov

What is the Community Survey?

- **A public opinion poll that:**
 - Identifies respondents' most important issues
 - Inform policies and decision-making, and
 - Tracks progress and measures our strategic plan.
- **Supplements other feedback engagements such as:**
 - Customer satisfaction surveys
 - Partner-led surveys (e.g., GoTriangle)
 - Community Health Needs Assessment

What is the Community Survey?

Satisfaction Surveys

- Opinions shaped by direct use and individual experiences.

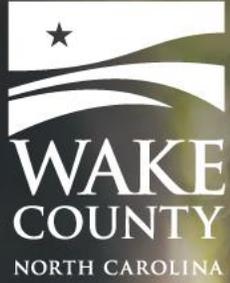

Perception Surveys

- Opinions based on observation
- May include direct use—but also:
 - Personal beliefs and feelings
 - Experiences by others (family, friends, co-workers, social networks)
 - Awareness and attitudes
 - Political beliefs
 - National and regional politics
 - Media and messaging

Partnering with ETC Institute

- **Selected through a competitive process.**
- **Strong experience and a national reputation for local government survey implementation.**
- **Recent local surveys for:**
 - City of Raleigh
 - Town of Holly Springs
 - City and County of Durham
 - Mecklenburg County

Wake County Strategic Plan

Adopted April 15, 2024

- **County's first organization-wide strategic plan.**
- **24 goals in six focus areas.**
- See wake.gov/strategic-plan for additional information.

The image shows a preview of the Wake County Strategic Plan document. The title "Wake County Strategic Plan" is centered at the top. Below the title, the document is organized into six focus areas, each with a list of goals:

- Inclusive Prosperity**
 - Goal 1: By 2029, 5% more residents asked will indicate low barriers to employment, such as access to job training and career counseling.
- Lifelong Learning**
 - Goal 1: Increase the number of residents with a high school diploma or GED by 2025.
 - Goal 2: Increase the number of residents with a college degree or certificate by 2025.
 - Goal 3: Increase the number of residents with a postsecondary certificate or degree by 2025.
 - Goal 4: Increase the number of residents with a postsecondary certificate or degree by 2025.
- Safer Communities**
 - Goal 1: Increase the number of residents with a high school diploma or GED by 2025.
 - Goal 2: Increase the number of residents with a college degree or certificate by 2025.
 - Goal 3: Increase the number of residents with a postsecondary certificate or degree by 2025.
- Foundation**
 - Goal 1: Increase the number of residents with a high school diploma or GED by 2025.
 - Goal 2: Increase the number of residents with a college degree or certificate by 2025.
 - Goal 3: Increase the number of residents with a postsecondary certificate or degree by 2025.
 - Goal 4: Increase the number of residents with a postsecondary certificate or degree by 2025.
- Community Health and Wellbeing**
 - Goal 1: Create and preserve 2,500 affordable housing units by 2029.
 - Goal 2: By 2029, make homelessness rare, brief, and non-recurring by reducing the number of people experiencing unsheltered homelessness by 10% from 2024 levels.
 - Goal 3: By 2029, 5% more residents asked will indicate low barriers to healthcare and behavioral health services, such as access to providers, insurance coverage, affordability and appointment wait times.
 - Goal 4: By 2029, three out of four residents asked will indicate low barriers to accessing benefits and assistance programs and resources, such as food and utilities, childcare, employment services, housing, etc.
 - Goal 5: By 2029, increase by 4% the number of Wake County veterans and veterans' families who are accessing the benefits they earned through military service.
- Growth, Land Use and Environment**
 - Goal 1: Between 2024 and 2029, 97% of growth and development will be directed toward cities and towns that provide municipal services, transportation, and utilities.
 - Goal 2: By 2029, increase public transit ridership by 10%.
 - Goal 3: Protect 1,000 acres of green space, including open space, parks, greenways, farmland, and forests by 2029.
 - Goal 4: By 2029, 95% of residents asked will have easy access to clean water.
 - Goal 5: Wake County Government will progress toward achieving 80% clean energy by 2035.

Next Steps

- **Results establish the baseline for some Strategic Plan goals**
- **Continue to build on the analysis results, specific to:**
 - Demographic comparisons
 - Geography
- **Share and communicate the findings**
 - Potential committee meetings discussions
 - Employees
 - Public
