Subject: RE: FW: HHS Board Application for Carrienne Starnes

Hi, Toni! Wanted to provide you with an update about Carrienne Starnes' application.

The Nominating Committee met this morning and unanimously agreed to recommend her application to the full Health and Human Services Board.

The current plan is to put her application for review on the Health and Human Services Board agenda for its February 26th meeting. If recommended to the Board of Commissioners, is there any way it could be put up for approval to the BOC prior to March 26th? Hoping if all goes well with the approvals that Carrienne can be sworn in as an HHS Board member and attend our Board Retreat on March 26th.
