Subject: Water Partnership application
Date: Wednesday, May 1, 2024 9:29:06 AM

Good Morning Toni. I wanted to make you aware that I anticipate Samantha Krop will be submitting an application to serve on the Water Partnership. Ms. Krop serves as the Neuse Riverkeeper for Sound Rivers, a nonprofit organization, and comes recommended from colleagues in the water resource industry. If approved, she would fill the vacancy for the Environmental Advocacy representative.

Thank you and please let me know if you have any questions.

Best,
Nancy
