RESPONSE

KING'S RIDGE

HEALING
TRANSITIONS

Drop-In Shelter: Completed Steps

- Identified Facility on 2nd Street
- BOC Approved Acquisition
- Building Purchased - Closed on September 18th
- Launched Community Engagement Process

Drop-In Shelter: Partner Engagement

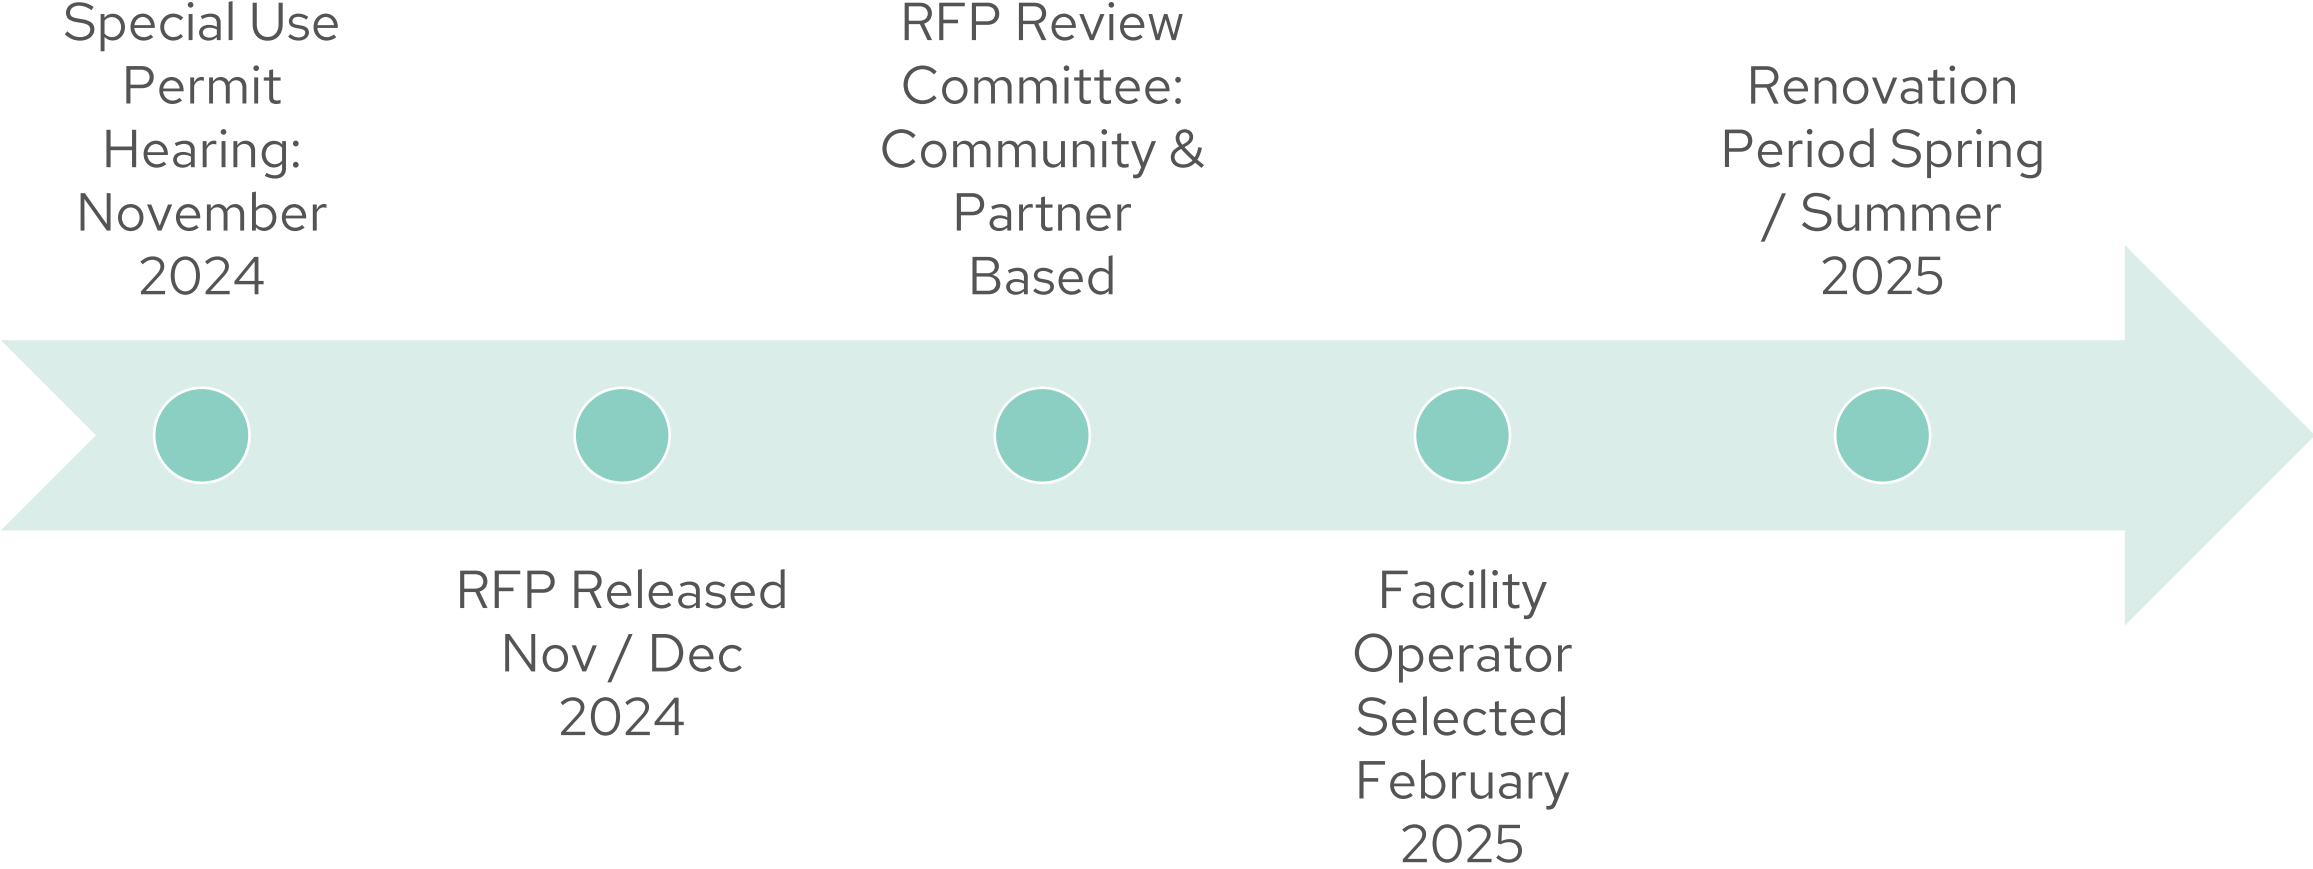

Community Partners

- Presented to churches within drop-in shelter neighborhood
- Solicited feedback – what are the shelter needs in our community
- **Engaged with possible partners for resource connections on-site**

Potential Funders

- City of Raleigh
- Philanthropic partners
- Federal grants

Drop-In Shelter: Upcoming Milestones

White Flag: Current Need

To maintain last year's capacity, we need 100 more men's drop-in beds.

White Flag Capacity Need

2023 White Flag Peak Night:

- 322 Men
- 111 Women
- 9 Families

Current White Flag Capacity

- Bryant Center & Healing Transitions **Men: 200**
- Edenton St UMC & Healing Transitions **Women: 175**
- Salvation Army **Families: 20**

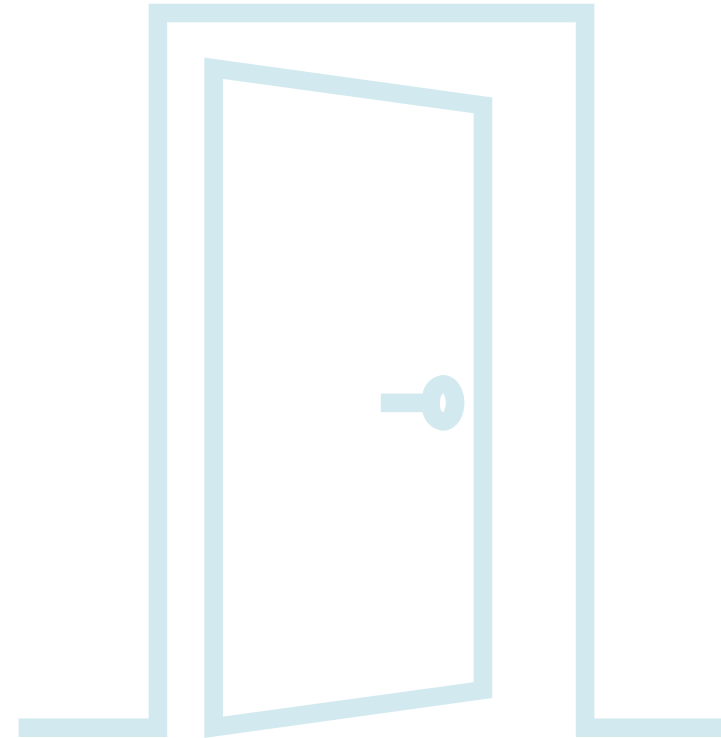

Healing Transitions: Capacity Update

- Right sizing men's shelter in preparation for January 2025 opening
- By-name list for capacity reduction
- SWSC and nonprofit partner referrals and placements

White Flag: Wake County Response

- Participation in by-name list referral process
- Continued support to temporary Bryant Center drop-in shelter
- **Utilization of the permanent 2nd Street drop-in shelter facility**

King's Ridge: Opening Update

- CO expected in mid-December
- RHA releasing project-based voucher RFP in November
- City of Raleigh - additional funds
- **Wake County - additional vouchers**
