## Interests & Experiences

**Why are you interested in serving on a Board or Commission?**

My wife and I have settled in Raleigh and now that we just got married, we are looking to become more involved in the greater Raleigh area. We both are local government people, I work for the State and my wife works for the City of Raleigh, and we are just looking to get on the ground and do more for our community. Little decisions make a big difference in the daily lives of people, and I would like to join a commission or board in order to make the City and County a better place.

## Work Experience

Before I went to law school I had varied experience, primarily working as a copyeditor for a science journal, but also working part-time for the Carrboro Parks and Rec Department, where I helped out with parades, events, and mostly youth sports as a referee and an umpire. I also worked with Theatre Delta and traveled to many colleges and high schools to spread awareness of underage drinking and bystander intervention. In law school, I focused my experiences in local government: While interning with a policy organization, I researched intensively managed retreat and a local government ordinance passed to assist homeowners facing rising seawaters; I interned with the Town of Cary, and worked on several local issues there; and I worked briefly in transactional law both in and after law school, where I learned more about affordable housing transactions and local government's role in those transactions (and also that I do not belong in a transactional private practice). As a Judicial Fellow, I assist trial judges throughout North Carolina on research questions and resolving litigation disputes, and my work in this role has been lauded by many of the judges I have served.

## Volunteer Experience

Besides my paid work with the Town of Carrboro as a referee/umpire and with Theatre Delta as an educator, I have volunteered briefly with the Land Loss Prevention Project and worked to develop a memo for local farmers on LLC formation. In law school, I volunteered as the president of Student Legal Services, and provided undergraduate students with legal information to help them make decisions on disciplinary or minor legal issues they would be facing.

## Education

UNC-Chapel Hill, BA in Dramatic Arts and Political Science '16; William & Mary Law School, '22
