BE IT RESOLVED by the Board of Commissioners (the “Board”) for the County of Wake, North Carolina (the “County”):

Section 1. The Board does hereby find and determine as follows:

(a) The Wake County Board of Education (the “School Board”) is the local school administrative unit for the public school system located in the County of Wake, North Carolina (the “County”), and the School Board has advised the County that there is a need for additional new public school facilities in the County, including, but not limited to, the construction, equipping and furnishing of new public schools currently to be designated Morrisville High School, Parkside Middle School and Poole Road Elementary School, and for the renovation, rehabilitation and improvement of existing school facilities in the County, including, but not limited to, North Garner Middle School, Lockhart Elementary School, Brentwood Elementary School, Athens Drive High School, Briarcliff Elementary School and Cary High School, all to serve the citizens of the County (the “Project”).

(d) In order to facilitate the construction and financing of the Project, the County and the School Board will enter into (i) a Lease Agreement, to be dated as of August 1, 2025 (the “Lease Agreement”), pursuant to which the County will lease the Sites and improvements thereon back to the School Board for operation and (ii) a Construction and Acquisition Agreement, to be dated as of August 1, 2025 (the “Construction Agreement”), pursuant to which the School Board will oversee the construction, acquisition and equipping of the portion of the Project located on the Sites.

(e) There have been presented to the Board drafts of the following documents relating to the transaction hereinabove described:

- (1) the Agreement;
- (2) the Deed of Trust;

County is hereby authorized and directed to affix the official seal of the County to each of said documents and to attest the same.

Section 4. No deficiency judgment may be rendered against the County in any action for breach of any contractual obligation authorized pursuant to the Agreement and the taxing power of the County is not and may not be pledged directly or indirectly to secure any moneys due under the Agreement herein authorized.
