Intended Space Uses

Enterprise Learning Model High School - Students take ownership of their progression through a full course load with flexible access to teacher, content, peers, and learning utilizing the best of both online and face-to-face education.

Alternative Learning Center Hub - Support to middle & high school long-term suspended students enrolled in Second Chance On-line Resource for Education (SCORE) program with access to face-to-face extra support and wrap-around services for the student and family. Supports Homebound/ Home Hospital program students.

Flexible Learning Support - Teachers prepare and oversee delivery of core course content utilizing technology. Also evaluate and coordinate elective course delivery via NCVPS and other online vendors.

End of first reading presentation.
