**Certificate of Achievement for Excellence in Financial Reporting**

Last month, the Government Finance Officers Association of the United States and Canada awarded a Certificate of Achievement for Excellence in Financial Reporting to Wake County for its comprehensive annual financial report for the fiscal year ending June 30, 2015.

This annual award program recognizes state and local governments that have gone beyond the minimum requirements of generally accepted accounting principles to prepare comprehensive annual financial reports that evidence the spirit of transparency and full disclosure.

The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting and its attainment represents a significant accomplishment by a government and its management. This marks the 32nd consecutive year in which the County has received this prestigious recognition.
