I am a(n) 24-year old Caucasian, Male. I am currently employed by Legacy Healthcare Services, Inc. as a(n) Project Manager. My choices of boards on which to serve, in order of preference, are:

1. Capital Area Workforce Development Board
2. City of Raleigh Planning Commission
3. City of Raleigh Board of Adjustment
4. Commission for Women
5. Adult Care Home Community Advisory Committee
6. Planning Board

Township: Raleigh

Work Experience: I started working early. For my final year in high school, I was a +40 hour, night-time closing manager at Back Yard Burgers (off of Leesville). After graduating from East Carolina, I was hired as a credentialing specialist for Legacy Healthcare. After 5 months I was promoted to Project Manager, Legacy's first.

Volunteer Experience: During College, I gave a little over 100 hours. The majority of my time volunteering was dedicated to Building a community garden for The Little Willie Center, in Greenville, NC.

Education: I graduated from Leesville Road High School in 2010. Afterwards, I spent two years at Wake Tech's North Campus; to transfer and graduate from East Carolina, with a BA in Economics, in 2015.

Other Comments: I have a great sense of community and would like to help those around me grow. I want to help do things better than they have ever been done before.

How did you become aware of volunteer opportunities?

If "Other", how?
