- 10.02 NC STATE’S Chief of Police, the city or town managers of each participating local government, the chief executive of any participating authority, and the Wake County Manager shall serve as members of the BOARD and each shall be a voting representative thereof.
- 10.03 The DEPUTY CHIEF INFORMATION OFFICER and the DIRECTOR OF RWCC shall serve as non-voting *ex-officio* members of the BOARD and shall be responsible for system management and support services for the BOARD.
- 10.04 The COUNTY shall certify the estimated annual cost of maintaining and operating the radio infrastructure including professional system(s) management services, insurance, consumable parts as well as utility costs and deliver that information to the BOARD. The COUNTY’S certification shall include information on any assumption(s) and formula (e) used to establish those estimated costs. For purposes of Fiscal Year 2013 maintenance-cost documentation pursuant to this section, the parties agree that those costs are established in Exhibit A, “FY 13 800 MHz System Maintenance Cost Estimates and Allocations,” attached hereto and incorporated herein.
- 10.05 On or before January 1 of each year that this Agreement is in effect, NC STATE shall be provided with an estimate of costs for the coming fiscal year. However, the final costs as identified in Article 10.04 shall be submitted to the BOARD no later than the first business day in March of any calendar year with dissemination

to NC STATE as soon thereafter as practical. For purposes of Fiscal Year 2017, maintenance-cost documentation pursuant to this section, the parties agree that those costs are established in Exhibit A.

- 10.06 The BOARD shall annually allocate fully the costs described in Article 10.05 of the Agreement to all parties to this Agreement, including NC STATE in a manner fairest and most equitable to those parties and ensuring that the COUNTY, in the fiscal year in which such costs were certified, receives reimbursement for all costs, and NC STATE shall remit its share of those costs to COUNTY as provided in this Agreement.
- 10.07 NC STATE acknowledges that the costs established in Exhibit A are costs incurred for maintenance expenses for Fiscal Year 2017 (assumes NC STATE comes onboard effective July 1, 2016). For Fiscal Year 2017 and subsequent fiscal years during the term of this Agreement, NC STATE shall not be obligated to pay any amount in excess of one hundred fifteen per cent (115%) of the 800 MHz radio system maintenance costs without advanced approval of NC STATE'S BOARD OF TRUSTEES, except that an increase that occurs as a result of a transfer of expenditures historically included in the City of Raleigh's Wake Emergency Communications Organization ("WECO") budget to the Operating Fund, and that is accompanied by a corresponding decrease in the WECO budget, shall not be included in this limitation of obligation.
- 10.08 The COUNTY shall invoice NC STATE quarterly, in arrears, for the prorated fees identified by the BOARD in Article 10.06 of this Agreement. Payment is due to the COUNTY within thirty (30) days of receipt of invoice. Continuing failure to remit payment as required herein shall constitute a material violation of this Agreement.
- 10.09 During the life of this Agreement, NC STATE shall pay to the COUNTY any of the outstanding fee(s) for one fiscal year for participation in the radio systems no later than August 15 of the succeeding fiscal year, or, if August 15 is not a business day, the next business day following August 15 on which the COUNTY conducts business.,
- 10.10 As 800 MHz radio and/or CAD system users, the COUNTY and NC STATE shall share with other parties to like agreements the costs of such infrastructure enhancements (and the mechanism for financing and payment of such costs) as may be agreed upon by the BOARD. Notwithstanding this provision, NC STATE shall not be obligated to pay any amount in excess of \$100,000 in any one fiscal year without advanced approval of NC STATE'S BOARD OF TRUSTEES.
- 10.11 NC STATE shall be responsible for purchase, acquisition, maintenance and replacement of its portable radios, mobile radios, and accessory hardware (including, but not limited to, battery chargers and batteries) for use on the 800 MHz radio system. This section does not limit the ability of the BOARD to

establish contracts and financing mechanisms for purchase, lease acquisition, maintenance and replacement of portable radios, mobile radios and accessory hardware in behalf of the municipalities represented by the BOARD members, nor does it require that the COUNTY agree in advance to share any portable or mobile radio programming information with any radio maintenance vendor.

ARTICLE XI – BOARD AND OPERATIONS GROUP

11.01 In addition to the duties described in Article X, the members of the BOARD, of which NC STATE’S CHIEF OF POLICE is one, shall perform the following duties:

The BOARD shall make every reasonable effort to approve appointees that provide balanced representation among law enforcement and fire CAD and 800 MHz radio system users. The BOARD may provide for consolidation of the OPERATIONS GROUP and the Wake Emergency Communications Organization Policy Board for purposes of expediting management oversight of emergency communications activities generally.

The DEPUTY CHIEF INFORMATION OFFICER and the DIRECTOR OF RWCC or their designees, shall serve as non-voting *ex officio* members of the OPERATIONS GROUP. If the BOARD elects to consolidate the OPERATIONS GROUP and the Wake Emergency Communications Organization Policy Board, the DEPUTY CHIEF INFORMATION OFFICER and the DIRECTOR OF RWCC may jointly chair the OPERATIONS GROUP.

 - 2. A representative of Wake County’s EMS system;
 - 3. A representative of the Wake County Sheriff’s Office; and
 - 4. An 800 MHz radio system user not associated with public safety to represent the interests of non-public safety radio users.

- C. Review and respond to matters referred by the OPERATIONS GROUP.
- D. With respect to Article 8 of this Agreement, and with the advice of the OPERATIONS GROUP, establish the criteria through which governments and other authorized governmental bodies may participate in the CAD and radio systems.
- E. Develop capital improvement funding plans for infrastructure enhancement and review such plans developed and submitted by the OPERATIONS GROUP
- F. Develop a membership allocation voting method for itself and for the OPERATIONS GROUP, in the event that consensus among either body cannot be reached.
- G. Through the DEPUTY CHIEF INFORMATION OFFICER and the DIRECTOR OF RWCC, authorize the OPERATIONS GROUP to review and adopt certain policies on behalf of the BOARD.

11.02 The OPERATIONS GROUP shall perform the following duties:

- A. Review operational matters within the purview of this Agreement and through collegial discussion and non-secret voting, recommend appropriate policies to ensure that the operations of the 800 MHz radio and CAD systems are efficient, effective and reliable, provided that the OPERATIONS GROUP shall have no authority to direct the day-to-day operations of RWCC.
- B. Review applications for membership within the system and make recommendations to the BOARD relative to admission.
- C. Review applications for and approve, when appropriate, additional system “talk groups.”
- D. Review system operating information for the purpose of developing documentation to support requests for additional channel capacity as may be needed.
- E. Develop and review general performance standards that serve as the foundation for technical specifications required for radios used by public safety and non-public safety users that can be procured by all system users at the lowest, responsive vendor price.
- F. Submit policies for users of the CAD and 800 MHz radio systems to the BOARD for review and approval.

- G. Review and approve communications procedures to be utilized during major incidents where system demand can be expected to affect the capacity of the CAD and 800 MHz radio systems to ensure that the CAD and 800 MHz radio systems will perform as efficiently and effectively as possible for all users during such incidents.

11.03 NC STATE shall assume responsibility for costs of attendance of its employees or representatives at BOARD or OPERATIONS GROUP meetings. The COUNTY shall not assume any costs of any kind relative to the attendance or participation of a NC STATE employee at a BOARD or OPERATIONS GROUP meeting.

ARTICLE XII – BOARD; COMPLAINTS AND APPEALS

- 12.01 Complaints from NC STATE or others concerning operating-cost allocation, system performance standards, and other matters within the purview of the MANAGEMENT BOARD shall be forwarded to the DEPUTY CHIEF INFORMATION OFFICER or his designee as soon as possible. The DEPUTY CHIEF INFORMATION OFFICER shall refer the complaint to the OPERATIONS GROUP for assessment and any action as may be necessary. If the OPERATIONS GROUP determines that the complaint requires the attention of the BOARD, the OPERATIONS GROUP shall so advise the DEPUTY CHIEF INFORMATION OFFICER. The DEPUTY CHIEF INFORMATION OFFICER shall be responsible for bringing the matter to the attention of the BOARD as soon as appropriate, but no later than the next meeting of the BOARD. The BOARD shall take such action and render a disposition of the complaint as the BOARD determines to be appropriate, provided that it is otherwise consistent with this Agreement.
- 12.02 In the event that the BOARD issues a directive or other such action compelling any party to this Agreement to take certain actions, NC STATE agrees to carry out such action as provided in Section 12.01 of this Agreement.
- 12.03 In the event that NC STATE disagrees with the action of the BOARD, NC STATE may appeal the directive or action of the BOARD to the DEPUTY CHIEF INFORMATION OFFICER. The DEPUTY CHIEF INFORMATION OFFICER shall consult with COUNTY’S Attorney or other neutral and disinterested party as appropriate to determine if the BOARD’S actions are contrary to this Agreement. If the BOARD’S actions are consistent with this Agreement the BOARD shall advise NC STATE that there is no basis for appeal. However, if the BOARD’S actions are contrary to the provisions of this Agreement the DEPUTY CHIEF INFORMATION OFFICER shall advise the BOARD of the inconsistency, permitting the BOARD to amend its action(s) as necessary to withdraw such declaration of default against NC STATE.

- 12.04 The authority of the BOARD does not extend to the design and implementation of any changes of the internal operations of NC STATE that are undertaken as a result of actions directed by the BOARD pursuant to the provisions of Section 12.02.

ARTICLE XIII – RADIO SYSTEMS USES AND LIMITATIONS

- 13.01 Permitted users of the radio system may include NC STATE’S public safety and non-public safety users.
- 13.02 The non-public safety users of the COUNTY and NC STATE shall be afforded a lower system priority than public safety users.
- 13.03 To ensure that the channel capacity of the radio system will not be unnecessarily reduced, neither the COUNTY nor NC STATE shall purchase any radio with a telephone interconnect capability except as approved by the BOARD.

ARTICLE XIV - NOTICE

- 14.01 Any notice, report of demand which must be given or made by a party hereto under the terms of this Agreement shall be sent by registered or certified mail, return receipt requested.
