First Choice: Planning & Zoning Board

Tell us about the qualifications, skills and attributes you will bring to the particular board(s), and any other information that might distinguish your application from other candidates.

I have lived in Green Level (Cary's ETJ) since 1985 and have a keen interest in how this area, the town, and other ETJ areas develop. I have been on P&Z for several town plan updates and am especially interested in how the new town plans are finalized and implemented under the Imagine Cary process. I am not in the development or real estate industry, so I bring the perspective of a typical citizen who is potentially impacted by development to the table.

List any governmental board, commission or committee, including length of time, on which you are presently serving or have served on in the past, either in the Town of Cary or elsewhere, noting any relevancy to board for which you are applying.

P&Z for the Town of Cary. I served two 3 year terms, and served 2 additional 2 year terms to fill in for 2 members that dropped from the board.

Non-governmental volunteer or leadership experience

I volunteered for the Special Olympics summer games in Raleigh for several years.
