Re: Abandonment of Old Kit Creek Road (SR 3095)

Dear Mr. Lankford:

In March 2016 the Research Triangle Foundation of North Carolina petitioned the Wake County Board of Commissioners to abandon Old Kit Creek Road (SR 3095). The road bisects Site 20 in the Research Triangle Park. On December 22, 2016 my client, Integrated DNA Technologies, Inc., acquired Site 20. A copy of the recorded deed is enclosed. On behalf of my client, I request that Integrated DNA Technologies, Inc. be substituted as petitioner to continue the abandonment process. I would be glad to provide you further information as required and ask that you notify me when the public hearing is scheduled.

Sincerely,

Larry D. McBennett
