1. Minutes of March 27, 2017 Joint Public Safety & Human Services Committee Meeting

II. Capital Area Reentry Council – *Derrick Byrd, Director, Family Resource Center*

Item Summary:

Capital Area Reentry Council (CARC) is an organized network of individuals and agencies that provide supervision and coordinate innovative responses to the reintegration of offenders/formerly incarcerated individuals at the local level using existing program services. CARC will help bring together all stakeholders who could aid and resources to help offenders/formerly incarcerated individuals to become productive citizens, reduce recidivism and victimization.

3. Wake County Detention Center Employment & Education Initiative Draft Two Year Budget
4. Wake County Detention Center Employment & Education Initiative Start-Up Timeline

IV. Insurance District Lines for New Northern Wake Fire Department – *Nicholas Campasano, Wake County Fire Services Director*

Item Summary:

The Fire Services Department was notified in August 2016 of the intent of the Stony Hill and Bay Leaf Fire Departments to merge in FY 2018. County staff has coordinated the consolidation effort with both fire departments' Board of Directors for issues such as operating and capital budgets, equipment standardization and apparatus needs. One outstanding item which must be addressed, prior to final consolidation, is the merger of the Stony Hill Fire Insurance District and the Bay Leaf Fire Insurance District into a new Northern Wake Fire Insurance District. North Carolina General Statute 153A-233 provides counties with the authority to "prescribe the boundaries thereof for insurance grading purposes." One long range goal of the Fire Tax District is to align the existing fire insurance district boundaries with closest station response districts to eliminate costly duplication of apparatus response. The creation of a new Northern Wake fire insurance district provides an opportunity to "clean" that district's boundary disparities. The proposed insurance district changes have been submitted to the North Carolina Department of Insurance for approval.
