Wake County Government
P.O. Box 550
Raleigh, N.C. 27602

Dear Mr. Hartman:

The Wake County Board of Alcoholic Control is required pursuant to NCGS 18B-700 (g2) for its appointing authority to annually approve our travel policy unless its utilizes the State's policy pursuant to G.S. 138-6.. Written confirmation of that approval must be provided to the State ABC Commission along with a copy of the policy. The Wake County Board of Alcoholic Control's travel policy has not changed since the Wake County Board of Commissioners approved it in 2016. I would respectfully request this item be placed on the Wake County Commissioner's agenda for approval again this year. I would also request a letter be mailed to the State ABC Commission stating the Commissioner's decision. I will enclose a copy of our current travel policy. Thank you in advance for your addressing this issue.

Sincerely

Joel Keith

General Manager
