Interests & Experiences

Why are you interested in serving on a Board or Commission?

I became interested in working with Seniors about 5 years ago, at which time I became a licensed Silver Sneakers Instructor for Healthways. My interest grew within this population as I saw the need for a competent exercise instructor. Because of financial difficulties I decided to leave my job as a Fitness Instructor and began working at Whispering Pines Retirement Center in Raleigh as a Common area house keeper. This job was not a good fit for my personality nor for what I wanted to accomplish as I could not be personally involved with the residents. The current Activities Coordinator, Colette Molnar, suggested that I take the AC course to help me be more involved with this Age Group. I came across this Volunteering opportunity and am looking forward to being able to serve the Elderly Community at yet another level.
