Dear Mr. Landguth,

I wanted to send a message following up on our continued conversations surrounding the airport property along Reedy Creek Road near Umstead State Park. We understand that three parcels of approximately 256 acres have been included in a public Request for Proposal (RFP) process. While Wake County Government will be unable to respond to the RFP within the time frame allotted, we hope that this letter will serve to indicate our continued interest in potential public uses of these properties and that your staff will keep us in mind as you proceed in your considerations.

I look forward to additional conversations and working together to serve the citizens of Wake County.

Sincerely,

Jim Hartmann, County Manager
Wake County, North Carolina
