Dear Mr. Hartman:

Thank you for your most recent letter regarding the Land Lease RFP. The RFP invites proposers to lease one, two or three parcels. Please provide some clarity regarding what parcels Wake County would be interested in leasing. The Authority would also like to understand where Wake County is in evaluating and developing an offer for leasing the property. Would it be possible to get a resolution from the Wake County Commissioners stating their support for leasing these parcels? This is not a binding agreement but I think this would allow the Authority to make a more informed decision regarding the RFP.

Jim I appreciate all of your guidance and thoughts over the past several months as we have discussed these parcels. This is truly an opportunity for a big win for the single track off road trail community and the airport by generating funding to pay for critical airport infrastructure.

Sincerely,

Michael Landguth
