Interests & Experiences

Why are you interested in serving on a Board or Commission?

Lifelong resident of Wake County. Graduate of NCSU. Licensed as a Professional Engineer and Landscape Architect. I am committed to helping Wake County and NC grow smart during this period of rapid change. As both an Engineer and Landscape Architect, I can provide a unique perspective that I believe will serve Wake County well.

Work Experience

Beginning as a draftsman for a small A/E firm, I have worked my way up over the course of my career and now serve as vice president for JMT, a civil engineering firm that specializes in providing multi-disciplined solutions for engineering projects. My experience includes 2 years at NCDOT, 27 years at AECOM where I served as the NC Civil Engineering Manager and I recently joined JMT where I have started the NC office which includes Engineers, Planners, Environmental Scientists, Water Resource Specialists and Cultural Resource personnel. Projects include site/civil engineering, water resources, wetland and stream restoration, and transportation engineering. Transit experience includes being the PM for the final design of TTA's section 10 rail line through downtown Raleigh. I have also led numerous greenway and pedestrian projects including Rocky Branch Stream Restoration and Greenway through NCSU and Buffalo Creek Greenway, A part of the Nuese River Greenway in Smithfield NC. I have also worked with local municipalities including Raleigh (Duraleigh Road, Tryon Road), Cary (Kildaire Farm Rd, Carpenter Fire Station Road, NC 55) and Clayton Front Street.

Volunteer Experience

Co-Chair for Training and Technology Committee, American Consulting Engineers Council and NCDOT Member of Transportation Committee, ACEC Future Cities Middle School outreach competition volunteer hosted by NCSU Boy Scouts of America, Assistant Scout Master

Education

NCSU - BS College of Ag and Life Science (landscape Design Option) 1980

Comments

I am very interested in serving on the Wake County Planning Board and I feel that I can offer value to Wake County through my experience and skills.

Years of Experience

35

Relevant Capabilities

NEPA Training
Program/ Project Management

James "Bill" Jenkins, PE, PLA

Mr. Jenkins has over 35 years of experience in the Engineering and Landscape Architecture profession. He has a proven track record of leading and managing profitable operations, delivering projects, exceeding client expectations and building employee loyalties. He has more than 30 years of project management experience for major projects with construction values ranging from \$2 million to \$400 million. His skills include roadway planning and design; commuter rail plans and specifications; industrial and commercial site development; greenways; wetlands and stream restoration plans. His responsibilities include the oversight of project delivery and execution. He is responsible for business development and financial performance, as well as staff and project management.

Relevant Experience

January 2015 – Present: Johnson, Mirmiran & Thompson (JMT) -

Vice President and North Carolina Business Manager for this full service civil engineering firm of more than 1,500 employees. Mr. Jenkins opened the Raleigh office to establish JMT in North Carolina and opened the office in Feb. 2016. In two years, he has grown the office to 15 employees and has been successful in winning more than \$10M in project backlog. Responsible for strategic planning, business development, client and project delivery and financial performance. Service lines in NC include National Environmental Policy Act (NEPA) & Transportation Planning, Water and Natural resources, Civil and Transportation Engineering, Historic Architecture, Archaeology, Landscape Architecture and Structures.

June 1985 – August 2014: AECOM - Associate-Vice President and North Carolina Civil Engineering Operations Manager for this publicly traded, 45,000-person A/E firm. Mr. Jenkins managed the NC engineering group including NEPA, planning, heavy civil, water resources, traffic engineering, greenways, GIS, survey and construction management. Responsible for strategic planning, business development, client and project delivery and financial performance. Clients included Federal, State, Municipal and Local Governments.

Representative Projects

North Carolina Department of Transportation, NC 55 Widening, Wake and Durham Counties, NC - Project Manager. Responsible for roadway design for the widening of NC 55 from US 64 to Cornwallis Road (SR 1121). The 13-mile project was a fast-track project for NCDOT and right-of-way plans were completed in less than one year. Provided design and management to widen existing NC55 from a two-lane rural road to a five-lane urban roadway. Project included box culvert design, traffic signals, wetland and stream mitigation, and traffic control plans.

North Carolina Department of Transportation, Rail Division, P-5201 Morrisville Parkway Grade Separation, Morrisville, NC - Project Manager. Responsible for roadway, rail and rail structure design for the separation of Morrisville Parkway to pass under a proposed rail bridge. The project also includes approximately two miles of rail relocation to provide for higher rail speeds and future double tracking. Utility relocation and coordination, permit acquisition, signals, traffic management and signing and pavement marking are included in the project.

Town of Cary, Carpenter Fire Station Road, Cary, NC - Project Manager. Responsible for providing planning and design services for realignment of approximately 0.8 miles of Carpenter-Fire Station Road between Morrisville-Carpenter Road (SR 3014) and NC 55. It will provide a 4-lane median divided facility with shoulders and meandering sidewalks.

City of Raleigh, Tryon Road Improvements, Raleigh, NC - Project Manager. With a prior firm, responsible for the design of preliminary, functional and final roadway plans for this 3-mile portion of Tryon Road. Also includes EIS and hydraulic studies. The design included widening from existing two-lane roadway to a four-lane median divided roadway section. Managed extensive public involvement with four public meetings and a public hearing. Managed design of utilities, sediment and erosion control, new and upgraded signals, pavement markings, and traffic control plans.

City of Raleigh, Duraleigh Road Improvements, Raleigh, NC - Project Manager. With a prior firm, responsible for the design of preliminary, functional and final roadway plans for this 3-mile portion of Duraleigh Road. Also includes wetland delineations, and EIS, bridge and hydraulic studies. The design included widening from existing two-lane roadway to a five lane urban roadway section with center left turn. Managed extensive public involvement with four public meetings and a public hearing. Managed design of retaining walls, a dual bridge over Crabtree Creek, new and upgraded signals, pavement markings, and traffic control plans.

North Carolina State University, Rocky Branch Stream Restoration and Greenway Development Phases I - III, Raleigh, NC – Project Manager. Responsible for greenway and natural channel design for Rocky Branch. Floodplains that once allowed water to spread out and slow down have been replaced by tennis courts, fields and parking lots on the campus. Managed repair of more than 6,000 feet of the creek that had been channelized and culverted. Directed completion of the greenway path that runs through the campus. Managed design to establish a new stable morphologic pattern using natural channel design, provide vegetative cover on streambanks and restore and enhance riparian buffers. Directed development of stormwater controls and energy dissipators on stormwater outfalls. Wet and dry detention basins, stormwater wetlands, rain gardens, and alternative water quality best management practices were implemented. The greenway design incorporated a greenway that runs through campus and connects to the city of Raleigh greenway system. Scenic overlooks and benches were placed along the path. Interpretative kiosks educate greenway users about the role of riparian and stream corridors in nature, identify flora and fauna, and concepts of natural channel design. The greenway trail included two pedestrian bridges, a pedestrian culvert under Pullen Road, three street crossings and numerous driveway crossings. The project required close coordination between various stakeholders with competing interests and suitable solutions

were found to satisfy all stakeholders. All environmental permits were acquired by the design team. Bid package administration and construction oversight was provided for all three phases. The Rocky Branch Greenway is a part of the East Coast Greenway, the Nation's longest connected biking and walking route running 3,000 miles from Maine to Key West, Florida.

North Carolina Wetlands Restoration Program, Richland Creek Stream Improvements, Wake County, NC - Project Manager. Responsible for stream improvements to Richland Creek at the Entertainment and Sports Arena in Raleigh. Participated in the design and installation of three cross-vanes at two road crossings, the removal of a large in-stream debris jam that is currently causing the undermining of the stream banks, and streambank slope stabilization through the use of coir matting, grading, and installation of native vegetation. A landscaping plan was incorporated to welcome the visitors to the Entertainment and Sports Arena and to increase the awareness of the stream.

Town of Smithfield, Buffalo Creek Greenway, Smithfield, NC – Project Manager. Responsible for the preparation of construction plans for the final design of 3.5 miles of greenway, flood analysis for two greenway bridges over Buffalo Creek, and preparation of the drainage and erosion control design. The project also included several smaller wooden bridges and boardwalks through wetland areas. The trail begins near downtown Smithfield, follows along the Neuse River, and then turns and follows Buffalo Creek to terminate at the Community Park and Aquatic Center. The project was designed to meet ADA standards and included two prefabricated bridges over Buffalo Creek. The team also assisted the Town with developing the bid documents and acquiring the permits needed for construction. The Buffalo Creek Greenway is a section of the North Carolina Mountains-to-Sea Trail; a trail stretching 1,175 miles from the Great Smoky Mountains to the Outer Banks.

Triangle Transit Authority, Regional Rail System - Original Concept, Raleigh, NC - Project Manager. Responsible for a 1.5-mile section of the rail system through downtown Raleigh and including two stations. Over one-half mile of the rail line will be located in an underground concrete U-channel, up to 30 feet deep. Managed rail design (passenger and freight), structural design for U-channel, retaining walls and RR bridges, at-grade street crossings, drainage, utilities, demolition plans, project controls and scheduling. Also managed an evaluation of alternative alignments for the entire rail corridor and an assessment of potential capital cost reductions to Section 10 of the regional rail project associated with alignment modifications.

Wake County Public Schools, Safety Studies and Design, Raleigh, NC - Project Manager. Responsible for studies and design of nine safety-related projects for schools that had a history of accident or congestion problems. Managed analysis, development of recommended solutions, and final design for the agreed solution.

- Fletcher Park Soccer Field.
- Emma Conn Elementary School bus access and parking lot.
- North Ridge Elementary School bus loop.
- Fred Olds Elementary School bus loop.
- Stough Elementary School major site improvements and permit compliance.
- North Ridge Elementary School bus loop.
- Brooks Elementary School parking lot, student pick-up access, and retaining wall.
- East Wake Middle School site improvements.
- Vance Elementary School bus loop.

City of Reidsville, Intersection Improvements Feasibility Study, Reidsville, NC - Project Manager. With a prior firm, responsible for a feasibility and cost study for the intersection of South Scales Street and Settle Street to improve geometrics of the intersection to allow safer pedestrian movements and improve existing signals.

City of Reidsville, Scales Street Roadway Design, Reidsville, NC - Project Manager. Bill Jenkins served as Project Manager for streetscape design to reduce the width of 3,300 feet of roadway from three lanes to two lanes, provide pedestrian access and sidewalks on the west side of the street and provide a gateway roundabout at the intersection of N. Scales Street and Wentworth Street. He managed permitting and design of intersection improvements, signal modifications, grading, drainage, erosion control, landscape, and decorative paving. The project added ADA compliant pedestrian and overall sidewalk improvements.

US Navy - EFD Mid-Atlantic, Camp Lejeune Infrastructure Improvements, Marine Corps Base Camp Lejeune, NC - Roadway Task Manager. Responsible for contract involving civil engineering for various roadway and utilities system design and engineering improvements for transportation, water, sanitary sewer, electrical distribution, telecom and stormwater projects primarily in North Carolina. Under the \$30M IDC, lead the roadway design team completing multiple tasks on this ID/IQ with responsibility for client interaction, cost control, consultants and on-site activities, with Title I-A and Title I-B tasks. Work has involved completion of the Functional Analysis Concept Development (FACD) for three \$50M MILCON utility projects, as well as three utility designs for DBB utilities construction contracts and one hydraulic water model. Roadway projects included Gonzalez Road and Bridge over wetlands, Piney Green Road improvements within the base and improvements to the gate, Louis Road and Sneads Ferry Road widening.

US Navy - EFD Mid-Atlantic, Wounded Warrior Battalion and Bachelors' Enlisted Quarters Site Development, Marine Corps Base Camp Lejeune, NC – Project Manager. Responsible for developing site design, utility corridors and roadway design to the site of the WWBEQ and the Fisher House. In addition, the project included the site civil design for the Wounded Warrior Barracks, Fisher House, T-COMM Building and a physical therapy trail to connect the Barracks with the near-by Naval Hospital. The trail was designed to meet ADA standards. The site design included a 300-car parking lot, parade ground, open plaza for outdoor seating and therapy, landscaping, utilities, drainage, and erosion control. Responsible for obtaining stormwater, erosion control and utility permits. The site and roadway designs comply with UFC 4-010-01 "DoD Minimum Antiterrorism Standards for Buildings" for the entire 11-acre site.

Interests & Experiences

Why are you interested in serving on a Board or Commission?

I am interested in serving on my desired boards and commissions as I am extremely interested in giving back to my community. I have previous experience serving on the City of Raleigh's Bike and Pedestrian Advisory Commission (BPAC) but had to resign due to my moving outside of the city limits. My background is primarily focused on transportation and real estate, and I would welcome the opportunity to provide that to the great work going on in these groups.

Work Experience

North Carolina Association of Realtors® 2014 – Present Political Communications & Regulatory Affairs Director (2016 – Present), Local Government Affairs Director (2014 – 2015) • Develop research briefs on issues of importance to the association including legislative actions, transportation policy, and regulatory affairs; advise senior leadership on communication needs and lobbying strategies • Lead discussions with the legislative committee to formulate and relay the associations stance on policy issues to 36,000 members; leverage relationships and networks to advocate at the community and state level • Represent the association and its members before regulatory bodies such as the North Carolina Real Estate Commission, Appraisal Board, and Coastal Resources Commission • Highlight government affairs activities through a weekly newsletter and the association's quarterly magazine, Insight • Assist local associations with Political Action Committee activities including fundraising and candidate funding

Longleaf Strategy Group 2014 – Present Founder and Principal • Provide consulting services to local lobbying firms, law firms and trade associations; research legislative policy and draft briefs related to areas of interest • Serve as an advisor to leadership within start-up organizations; provide an overview of opportunities at the local/state level and input on communications strategy, lobbying, grant acquisition, and business growth plans

North Carolina Department of Transportation 2011 – 2013 Policy Advisor, Logistics (2012 – 2013), Liaison to the Lieutenant Governor (2011 – 2012) • Developed strategic plan aimed at increasing operational efficiency and improving legislative relationships after the legislative transfer of the NC Global TransPark and NC State Ports Authority to NCDOT • Assisted the Governor's Logistics Task Force with the Seven Portals Study and North Carolina Maritime Strategy; drafted final report outlining a plan to move people, goods, and information more efficiently throughout the state • Researched policy in the areas of transportation, commerce and trade, and maritime operations; drafted white papers for the Lt. Governor, Secretary of Transportation, and Director of Statewide Logistics Office of Lieutenant Governor Walter Dalton 2009 - 2011 Director of Constituent Services • Represented the Lt. Governor on committees related to education, US Census and transportation; interacted with members of the General Assembly, statewide government officials and high profile business leaders • Developed social media outreach plans and protocols and managed the Lieutenant Governor's website • Conducted research on innovative education technologies for the Joining Our Businesses and Schools Commission

Volunteer Experience

Band Together, Co-Chair Main Event (2016-Present), Nonprofit Selection Committee (2014-Present); NC State University Friends of Arts NC State Board of Directors (2015-Present), Food Bank of Central and Eastern North Carolina, Social Media Ambassador (2013-Present); City of Raleigh Bicycle and Pedestrian Advisory Commission, Member (2015-2016); Jim "Catfish" Hunter ALS Association, Chair: Advocacy Committee (2010-2015)

Education

North Carolina State University~ Raleigh~ North Carolina~ May 2008 B.A.~ Political Science Pi Sigma Alpha_National Political Science Honor Society

W. Seth Palmer is an experienced young professional with a background and passion for the policy process. Throughout his eight years of professional experience, he has led multiple large-scale projects addressing needs of state government organizations, trade associations as well as small businesses, start-ups and nonprofits.

Seth currently serves as the Political Communications and Regulatory Affairs Director for the North Carolina Association of REALTORS®. In this role, he manages the association's advocacy communications efforts to its more than 35,000 members. Seth also serves as its primary regulatory lobbyist, representing the association before agencies such as the North Carolina Real Estate Commission and North Carolina Appraisal Board. Prior to joining the REALTORS® team, Seth served on the staffs of the North Carolina House Majority Leader, North Carolina Lieutenant Governor, and the Secretary of the North Carolina Department of Transportation. In 2012, Seth authored the final report for the Governor's Logistics Task Force, a 30-member commission tasked with examining North Carolina's freight logistics capabilities and economic development opportunities.

Seth is a 2008 graduate of North Carolina State University with a Bachelor of Arts degree in Political Science. He was elected to the Pi Sigma Alpha, National Political Science Honor Society and is a 2011 Fellow of the North Carolina Institute of Political Leadership. He is actively involved in numerous community organizations and serves as the 2017 Event Co-Chair for Band Together NC, a nonprofit whose efforts have raised over \$6.5 million for Triangle-area nonprofit organizations.

W. SETH PALMER

1413 Shady Rise Glen | Raleigh, NC 27603 | 910.367.8934 | palmer.seth@gmail.com

Relationship oriented and goal driven with a passion for the legislative process and a proven ability to communicate policy issues in ways that engage and influence others. Focused on building trust and rapport with internal and external stakeholders and developing mutually beneficial partnerships that enhance organizational efforts in the short and long term. Skilled communicator across levels and functions and a key advisor to senior leadership. Successful track record of managing multiple priorities and completing projects on time within tight deadlines.
