

Celebrating Volunteerism

By Presidential Proclamation, April 15 – 21, 2018 is designated as National Volunteer Week to inspire and encourage people to volunteer and to celebrate those who do.

County's Focus:

1. Acknowledge the thousands of residents that volunteer to support County operations, and encourage others to find their place to offer their time and talents
2. Encourage employee use of Community Involvement Leave

#ONEWAKE

#ONEWake Campaign

The #ONEWake campaign was launched in April 2016 and uses a variety of outreach and education strategies to show how ONE person can make a real difference in their community in just ONE hour or ONE day.

Through #ONEWake, the county is promoting ways for volunteers to support county programs and services, and recognizing those who do.
