Interests & Experiences

Why are you interested in serving on a Board or Commission?

I've worked in the energy industry most of my adult life. First in the nuclear navy, and afterwards in power production in various manufacturing facilities culminating with my current work at Harris Nuclear Plant here in Wake County. Having benefited over the years by taking advantage of the many public services that allowed me to pursue a college education and a well-paying job, I have always wanted to give back to the community.
