**I. WCPSS Follow-up (2:00 – 3:00) – WCPSS Staff**

During the Board's work session last Wednesday May 30, Commissioners discussed several questions about the WCPSS FY2019 funding request. Many of these questions center around how the State's budget will impact the School system's FY2019 budget. During this special work session, WCPSS staff will be available to describe specific legislative impacts and Commissioners will have an opportunity to ask questions. Commissioners may also use this time to ask WCPSS staff for any additional clarification about responses to the questions Commissioners raised on Wednesday May 30.
