I. Update on the Potential Purchase of the Former Crooked Creek Golf Course –
Frank Cope, Johnna Rogers

In August 2017, the Board of Commissioners received briefings from County staff and other stakeholders about potentially acquiring the former Crooked Creek Golf Course. The property is located in Southern Wake County near the Town of Fuquay-Varina. On November 6, 2017, the Board identified several conditions to evaluate before considering whether to acquire the property. At a Commissioner's request, consideration of this acquisition will be on the June 18 regular meeting agenda.

In this work session, staff will update the Board on:

- Status of the identified conditions
- Short-term use of the property
- Master planning of the property, and
- Potential funding approach.

Staff seek the Board's feedback on these topics, and will use the Board's guidance to develop the agenda item for the June 18th regular meeting.
