WHEREAS, the Board of Commissioners of the County, following a public hearing on August 20, 2018, approved the execution of a business development grant to the Company for the Project on the terms of this Agreement.

NOW, THEREFORE, in consideration of the reasons recited above, and the mutual covenants and obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1. Real Estate Improvements and Machinery, Equipment, Furniture and Fixture Acquisition. (a) Investment in Real Estate Improvements and Tangible Personal Property. The Company shall make, or cause to be made, investments for improvements to real estate and for acquisitions of tangible personal property (collectively, the “Investments”) in the County in connection with the Project which shall total at least \$11,610,000 on or before December 31, 2019.

The average annual wage of the new jobs will be no less than \$53,587, which the Parties agree is 100% of the 2017 average annual wage for the County as determined by the North Carolina Department of Commerce’s Finance Center. The Company shall maintain employment of the new employees for any years of the Grant Period beyond 2022.

Telecommuting positions shall not be counted towards the employment requirement set forth in this section.

The Parties agree that for purposes of calculating the “annual wage” of an employee of the Company “wage” shall have the meaning it has for purposes of the North Carolina Department of Commerce’s Finance Center’s calculation of “average annual wage” and that such meaning is the gross wage subject to reporting to the Division of Employment Security of the North Carolina Department of Commerce.

3. Documentation from the Company. In connection with each request for reimbursement, the Company shall deliver to the County Manager a performance letter in substantially the form of the attached Exhibit A (the “Performance Letter”), certifying that (1) the Company has taken the actions described in Section 2(a) and (b) of this Agreement, (2) as of the date of the Performance Letter, the Investments for which the request is made have been completed, and (3) the Company qualifies for Jobs Development Incentive Grant program monies in such Grant Year. If the Company does not meet all of the conditions required to be certified in the Performance Letter, the Company shall not qualify for a grant payment from Wake County for that calendar year. Upon the request of the County Manager, the Company shall present to the County such evidence as may be reasonably requested to confirm the facts in the Performance Letter. To the full extent allowed by law, such requested evidence shall be kept confidential by the County and shall remain the property of the Company to be returned after the County’s review.

It is agreed that the County, through its auditors, shall have the right upon reasonable notice and during normal business hours, to inspect and audit the Company’s records pertaining to Investments made with respect to the Project. All records revealed by the Company to the County’s auditors shall remain confidential and may be used by the County only for audit purposes to the full extent allowed by law.

The Company acknowledges that it has been informed by the County that the County is required by law, upon request, to disclose “Public Records” as that term is defined by N.C. Gen. Stat. §132-1. Notwithstanding the immediately preceding sentence, the County acknowledges that some or all of the information made available by the Company to the County pursuant to this Agreement may be exempt from disclosure as a “Public Record” pursuant to N.C. Gen. Stat. §§

132-1.2 and/or 132-6(d), and that all such information may be proprietary. Some or all of the information made available to the County pursuant to this Agreement may be designated by the Company as confidential and as a trade secret at the time of disclosure to the County. The County, to the fullest extent allowed by state law, will hold such designated information as confidential. The County shall, if it receives a request for disclosure of any such information, notify the Company of such request so that the Company may defend any claims or disputes arising from efforts of others to cause such trade secrets to be disclosed as a Public Record, and the County shall refrain from making any such disclosures unless or until it (i) receives the Company's written permission to do so; or (ii) is compelled to do so by the final order of a court of competent jurisdiction. The Company shall have the right to direct any litigation of such dispute and shall indemnify the County for any legal fees and expenses incurred by the County in opposing such request for disclosure. The Company acknowledges that the County has met the disclosure requirements set forth in N.C. Gen. Stat. § 132-1.11(b).

4. Payment of Grant.

(a) Upon the terms and conditions herein, the County agrees to partially reimburse the Company for the Investments that the Company makes in the Project in order to provide an incentive to the Company to make such Investments and create such jobs within the County. A cash grant will be paid to the Company in an amount equal to a percentage of the additional County property tax revenue attributable to the assessed value of the Investments, as determined by the County tax assessor as more specifically set forth in Section 4(c).

(b) Once the Company has met the performance requirements set forth in Section 2 of this Agreement for the Grant Year in question, and the Company has submitted the required documentation under Section 3, the Company shall be eligible to receive the grant payments described in this Agreement. The grant payments shall begin in the year after the taxable property base of the Investments attributable to the Project as determined by the County tax assessor first exceeds \$11,610,000. For clarity, the first payment is expected to be for tax year 2019, assuming the Company makes the Investments and meets or exceeds the Year 1 (2019) employment target. The exact date of payments during each Grant Year shall be at the discretion of the County but shall be made during the period from January 1st through March 31st provided that all requirements have been met, including timely submission of documentation by Company.

(c) The amount of the grant payments to be paid by the County to the Company shall be thirty-five (35%) of the additional County property tax revenue attributable to the assessed value of the Investments as defined in 2(a) of this Agreement as of January 1 of the preceding calendar year, as verified by the County Manager. The grant payments shall be paid each year (each a "Grant Year") for a period of five (5) consecutive years (the "Grant Period"). In no event shall the grant amount paid by the County in any Grant Year exceed the amount of ad valorem taxes actually paid in the preceding year for Investments in connection with the Project. The Parties agree that any payment of ad valorem tax made before January 6 following the due date of the tax shall be deemed to have been paid in the year the tax was due. In no event shall a grant payment be made in any Grant Year if the Company has outstanding ad valorem tax liability to County for any preceding year.

(d) Grant payments are to be made directly to the Company and mailed directly to 360 Hamilton Avenue, Suite 600, White Plains, NY 10601 Attn: Accounts Receivable or at such other address as shall be provided by the Company to the County in writing.

(e) Recapture Provision. In the event that all Grant requirements outlined in this Agreement are not met by Company for any year of the Grant Period, or the required documentation is not submitted by Company for the year in time to allow payment by March 31 of the following year, then the County shall have no responsibility for all or any part of Grant Funding for that Grant Year, and Company or its Affiliates shall have no interest in or entitlement to Grant Funding for that Grant Year. No cure periods shall be allowed for the purpose of qualification in any Grant Year.

Company shall not qualify for County Grant payments in any years of the Grant Period in the event that in such year the Company does not qualify for the JDIG program monies.
