

# Triangle Bike Way Raleigh ⇄ RTP / Durham

Transit Committee

October 8, 2018

@wakegov

wakegov.com

# I-40 Corridor

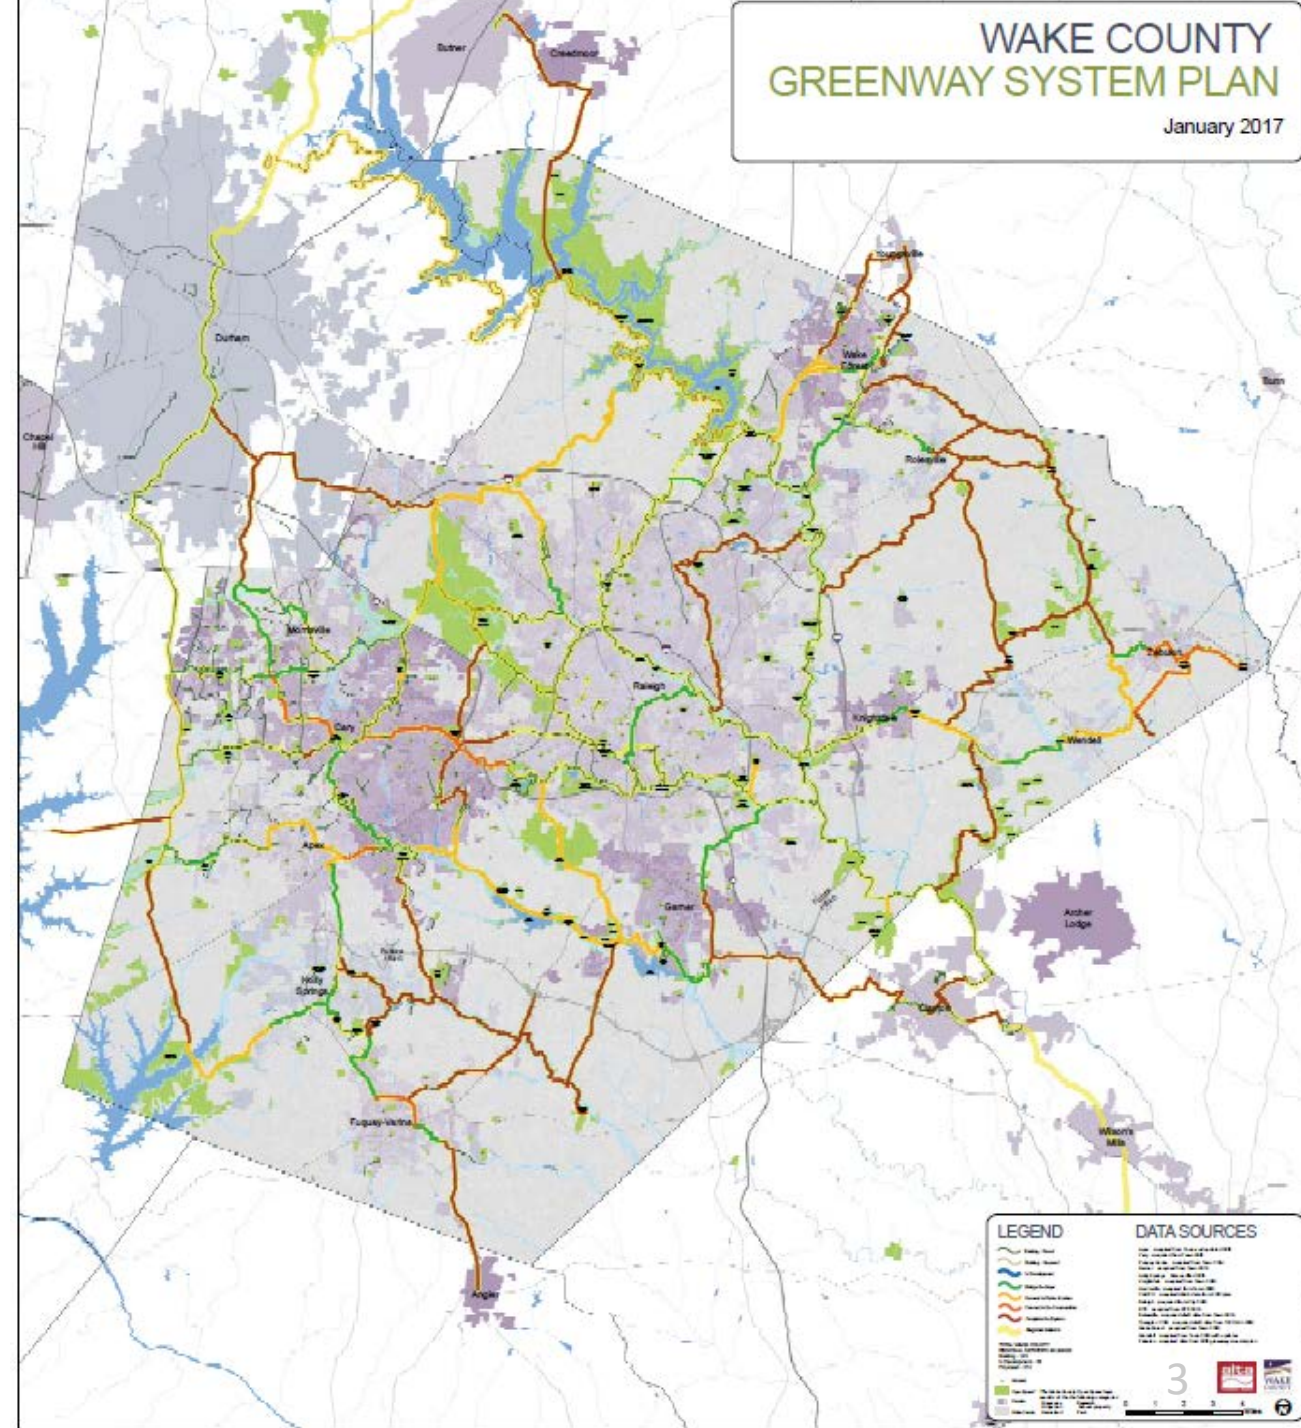

- The most congested corridor in our region
- Wake Transit Plan
  - Additional lanes
  - Managed lanes
  - Improved regional bus service

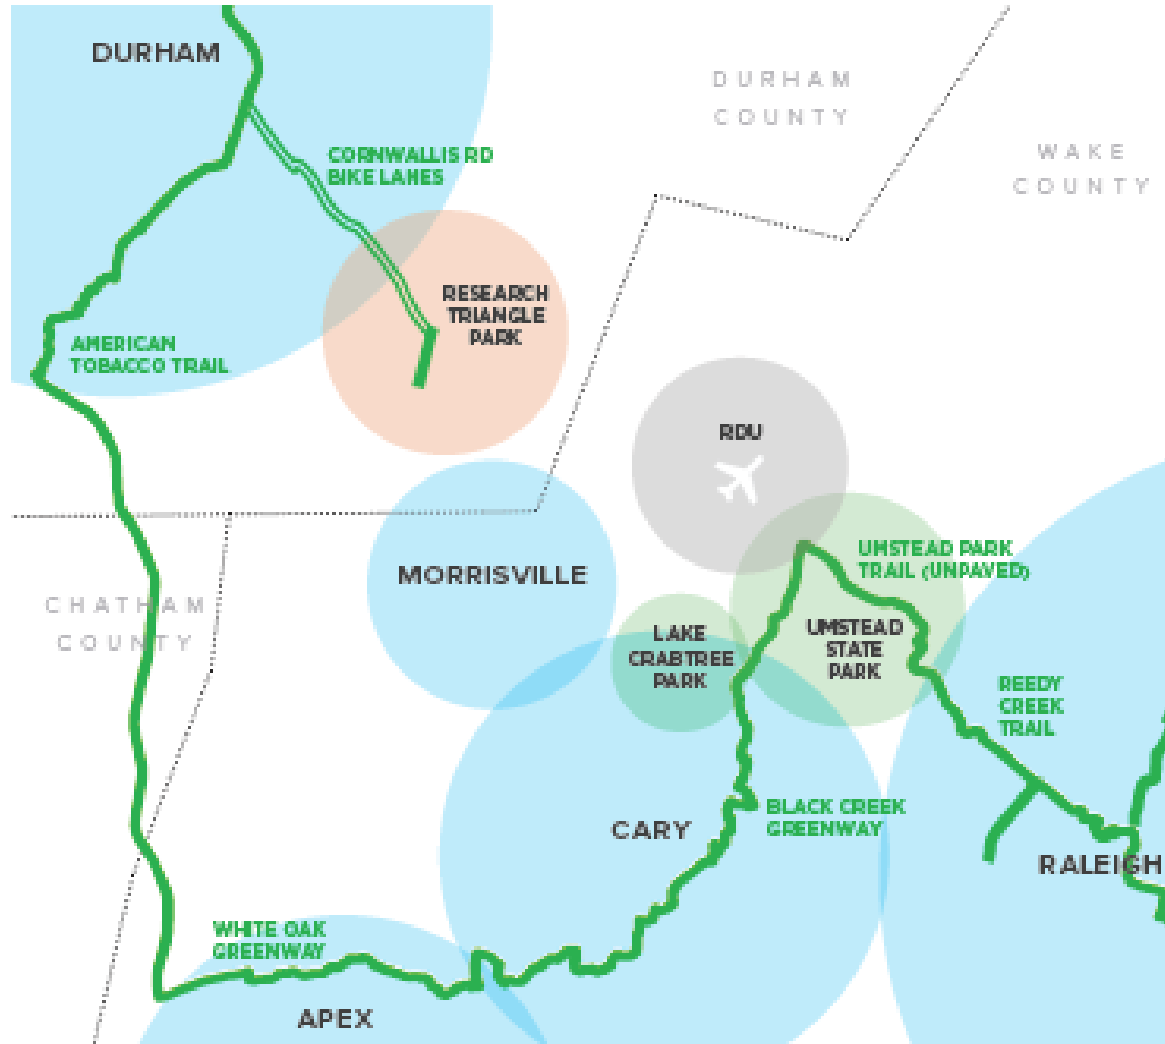

# Wake County Greenway System Plan

- Dec 2016 - Triangle J COG
- Evaluate routes
- Move forward as a regional priority
  - Short-term
  - Long-term

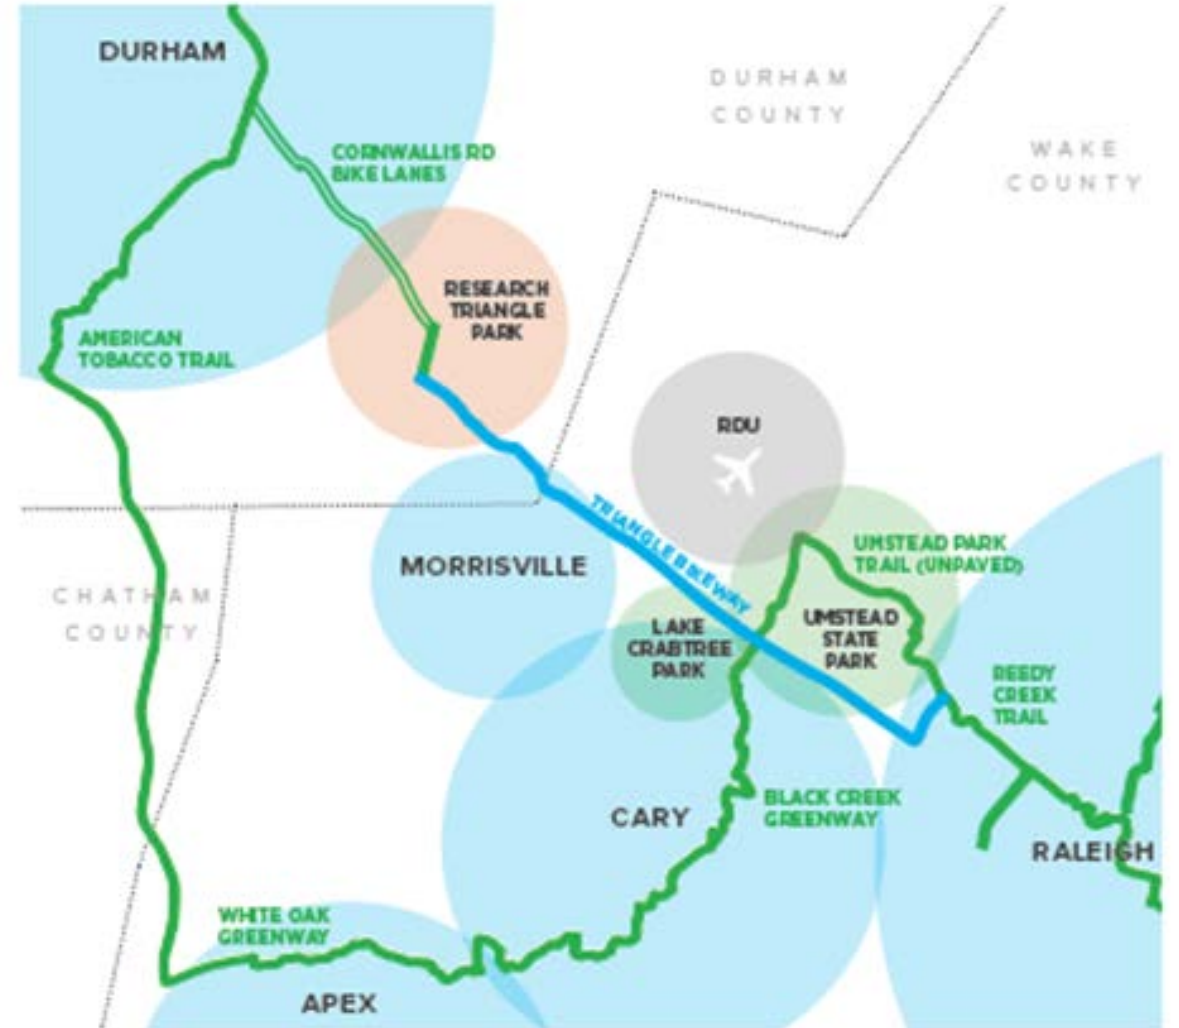

# Regional Connectivity

Triangle Bikeway Map 1: Regional Context

Triangle Bikeway Map 2: Bikeway Context

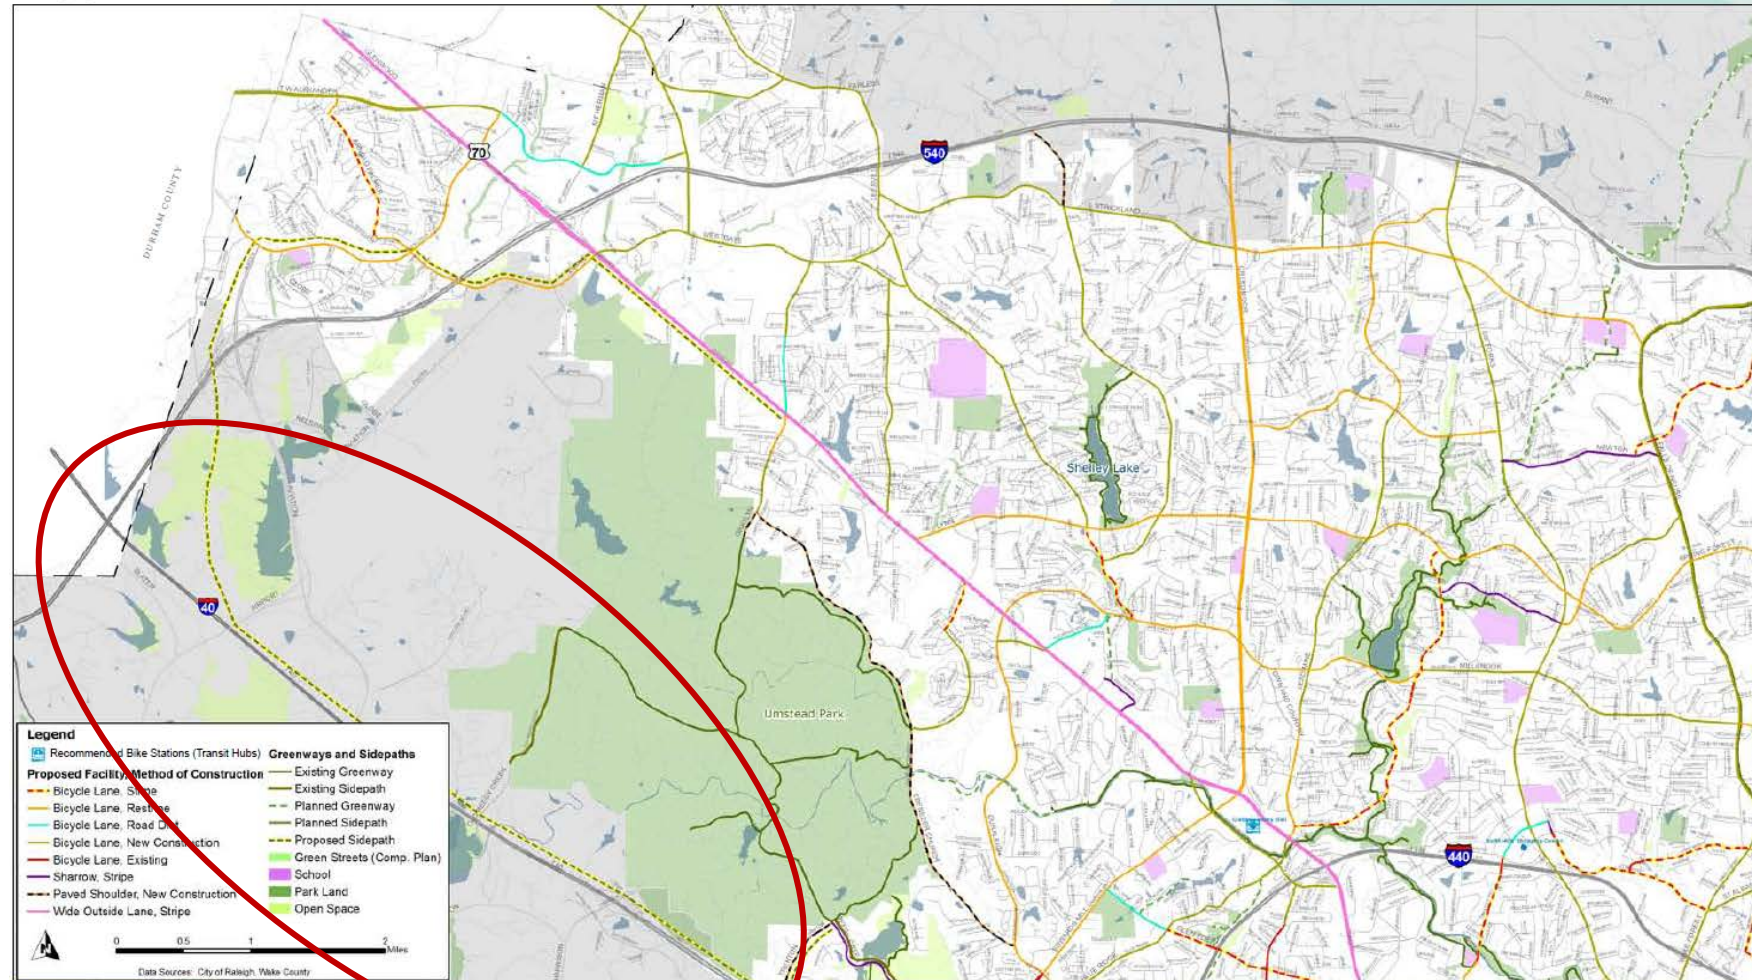

## The image is a cover for a 'Bicycle Transportation Plan'. It features a large, stylized graphic of a bicycle wheel in the background, composed of blue and green segments. Overlaid on this is the title 'BICYCLE' in large, bold, green capital letters, and 'TRANSPORTATION PLAN' in bold, blue capital letters below it. Underneath the title, the text 'THE CITY OF RALEIGH | NORTH CAROLINA | APRIL 2009' is written in a smaller, blue, sans-serif font. At the bottom of the image, there is a horizontal strip of seven small, square photographs showing various scenes of people riding bicycles in Raleigh, North Carolina.

CHAPTER 4 : BICYCLE NETWORK PLAN | 4-17

# CAMPO 2040

## MTP

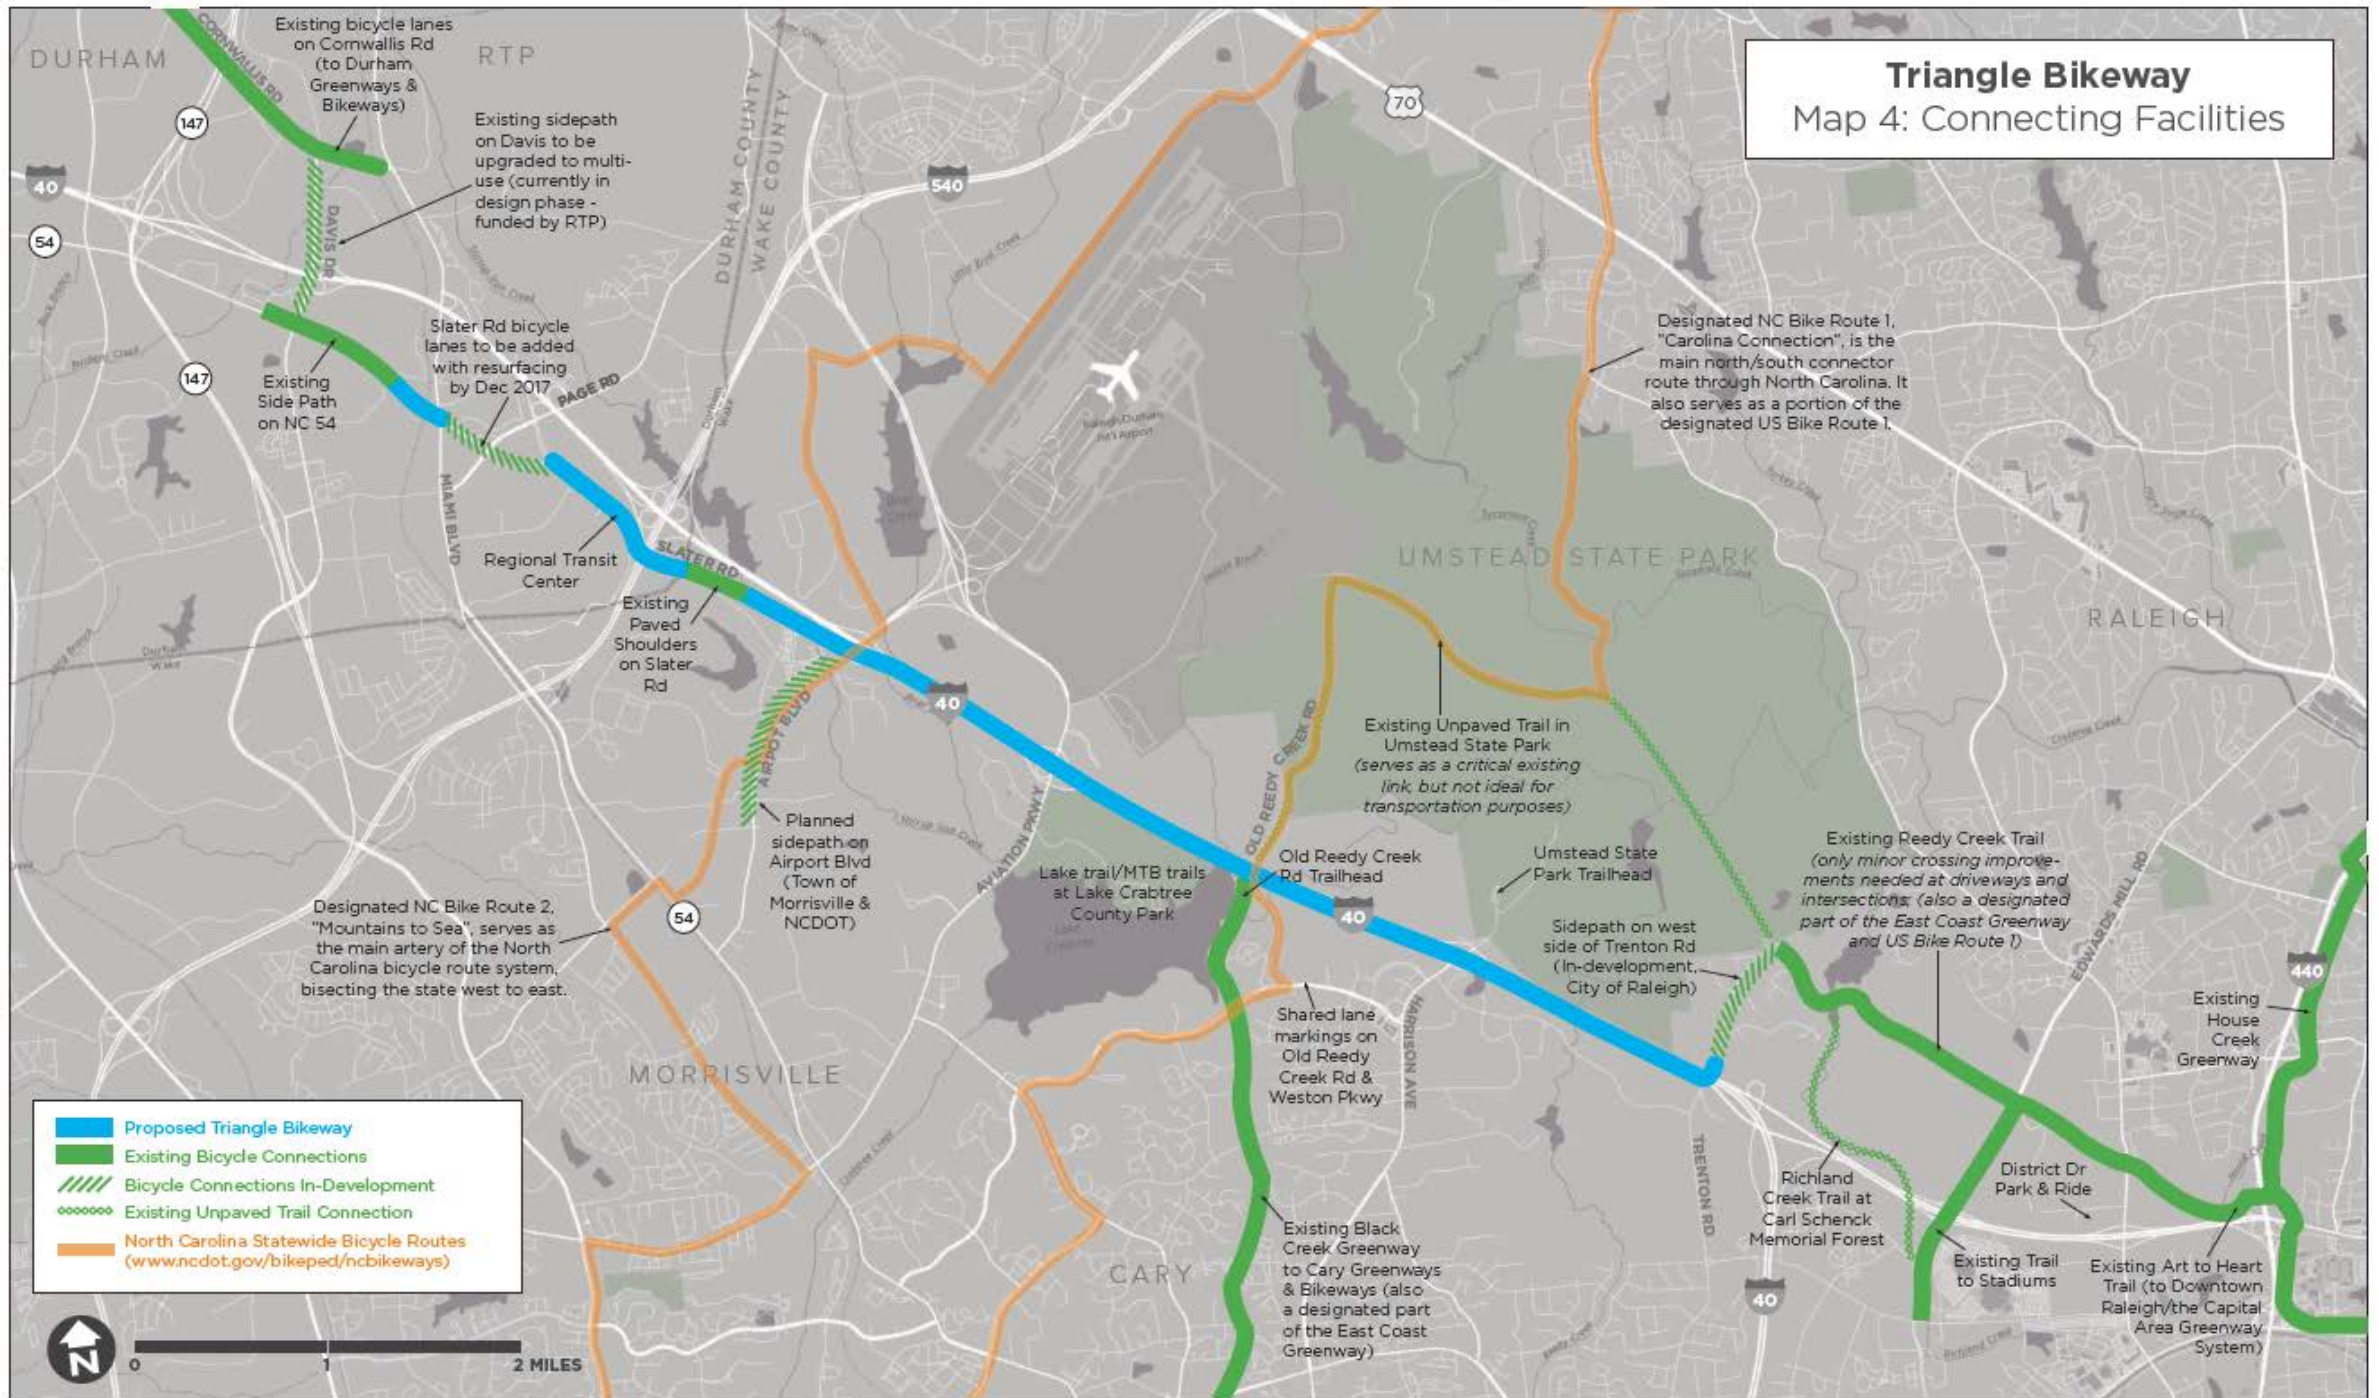

“Regional Off Road Facility” along I-40

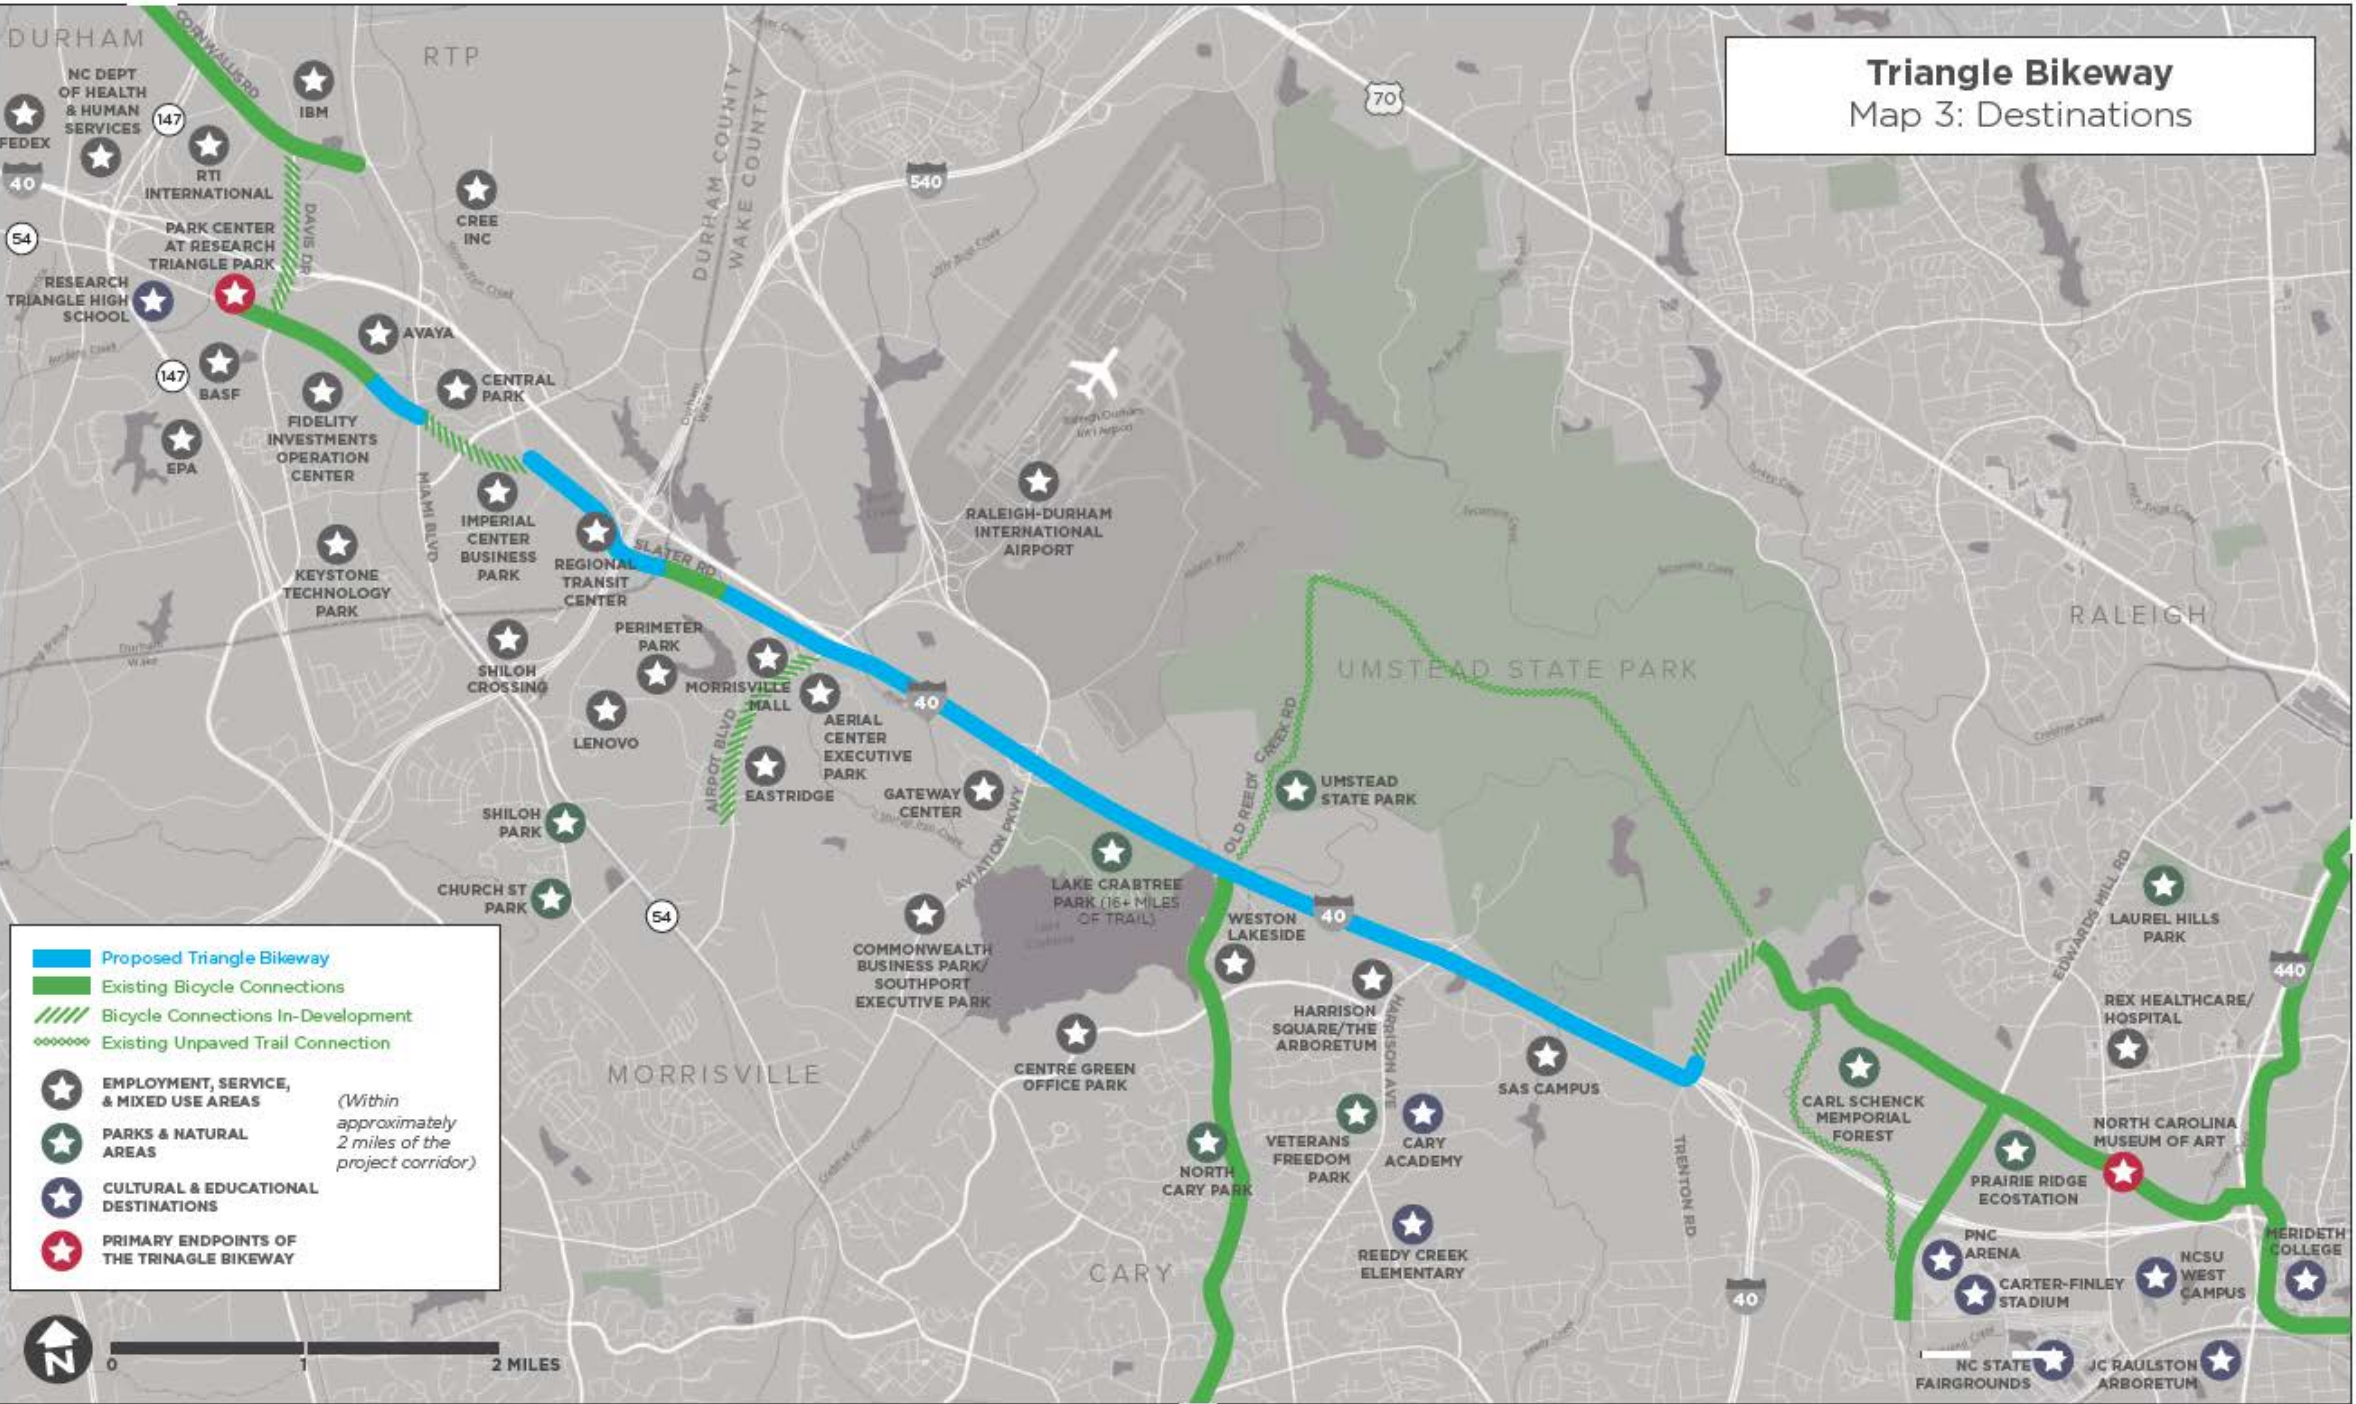

# Triangle Bikeway

## Map 4: Connecting Facilities

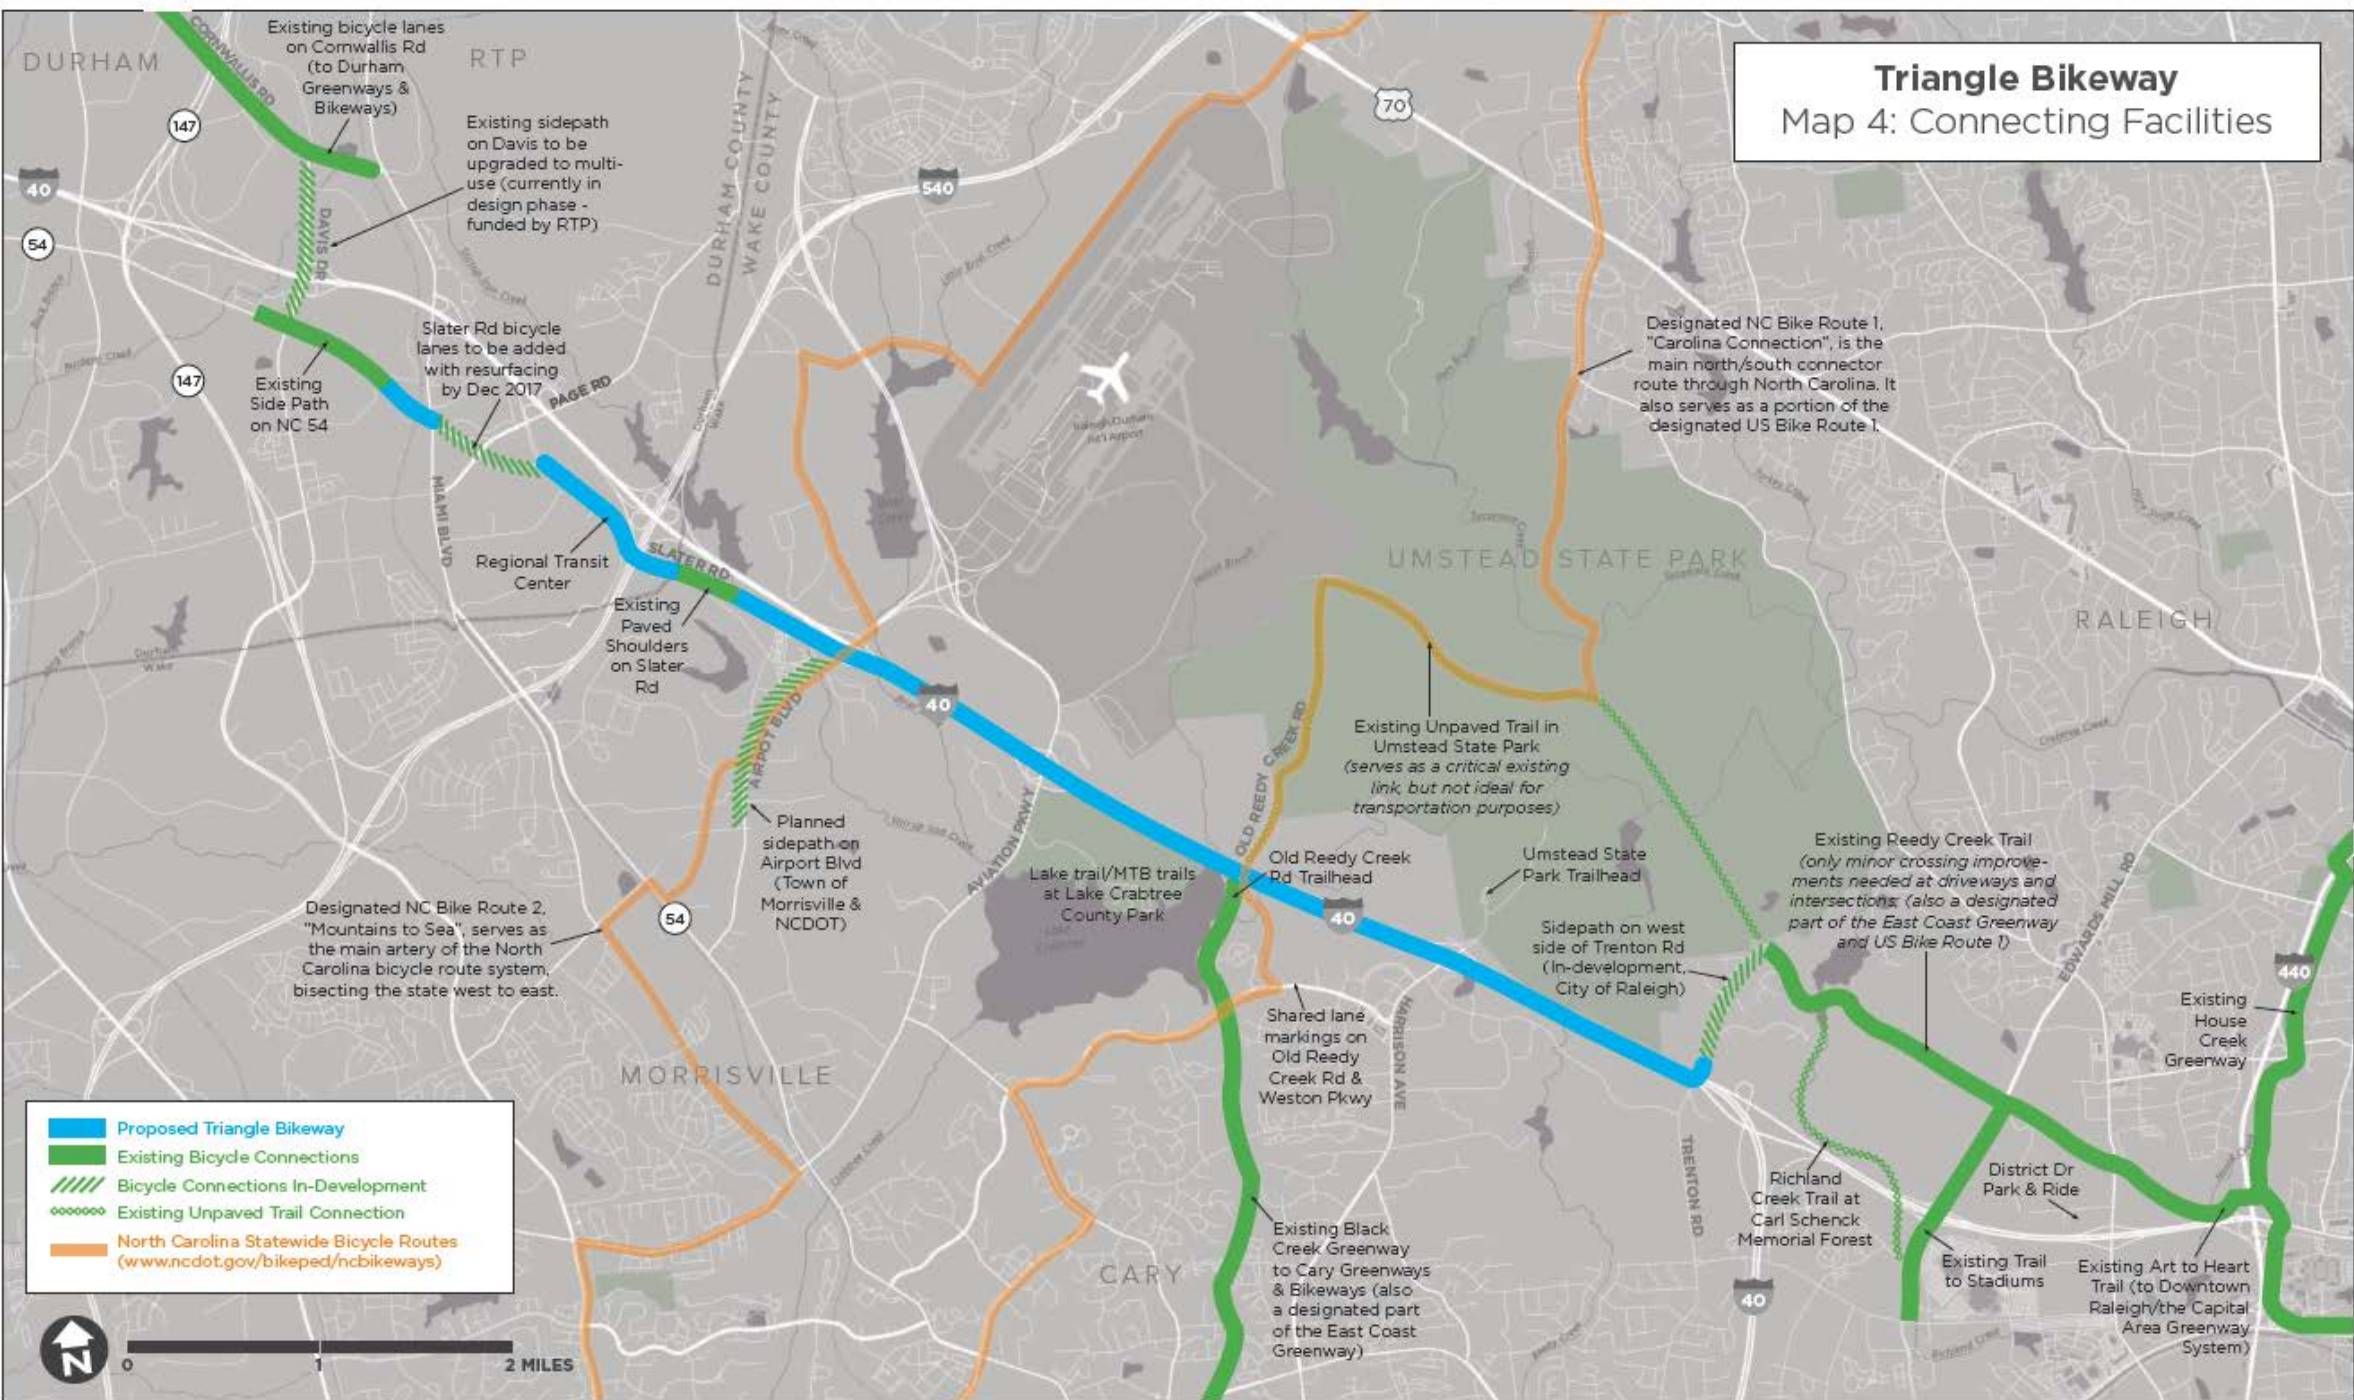

# Triangle Bikeway Map 3: Destinations

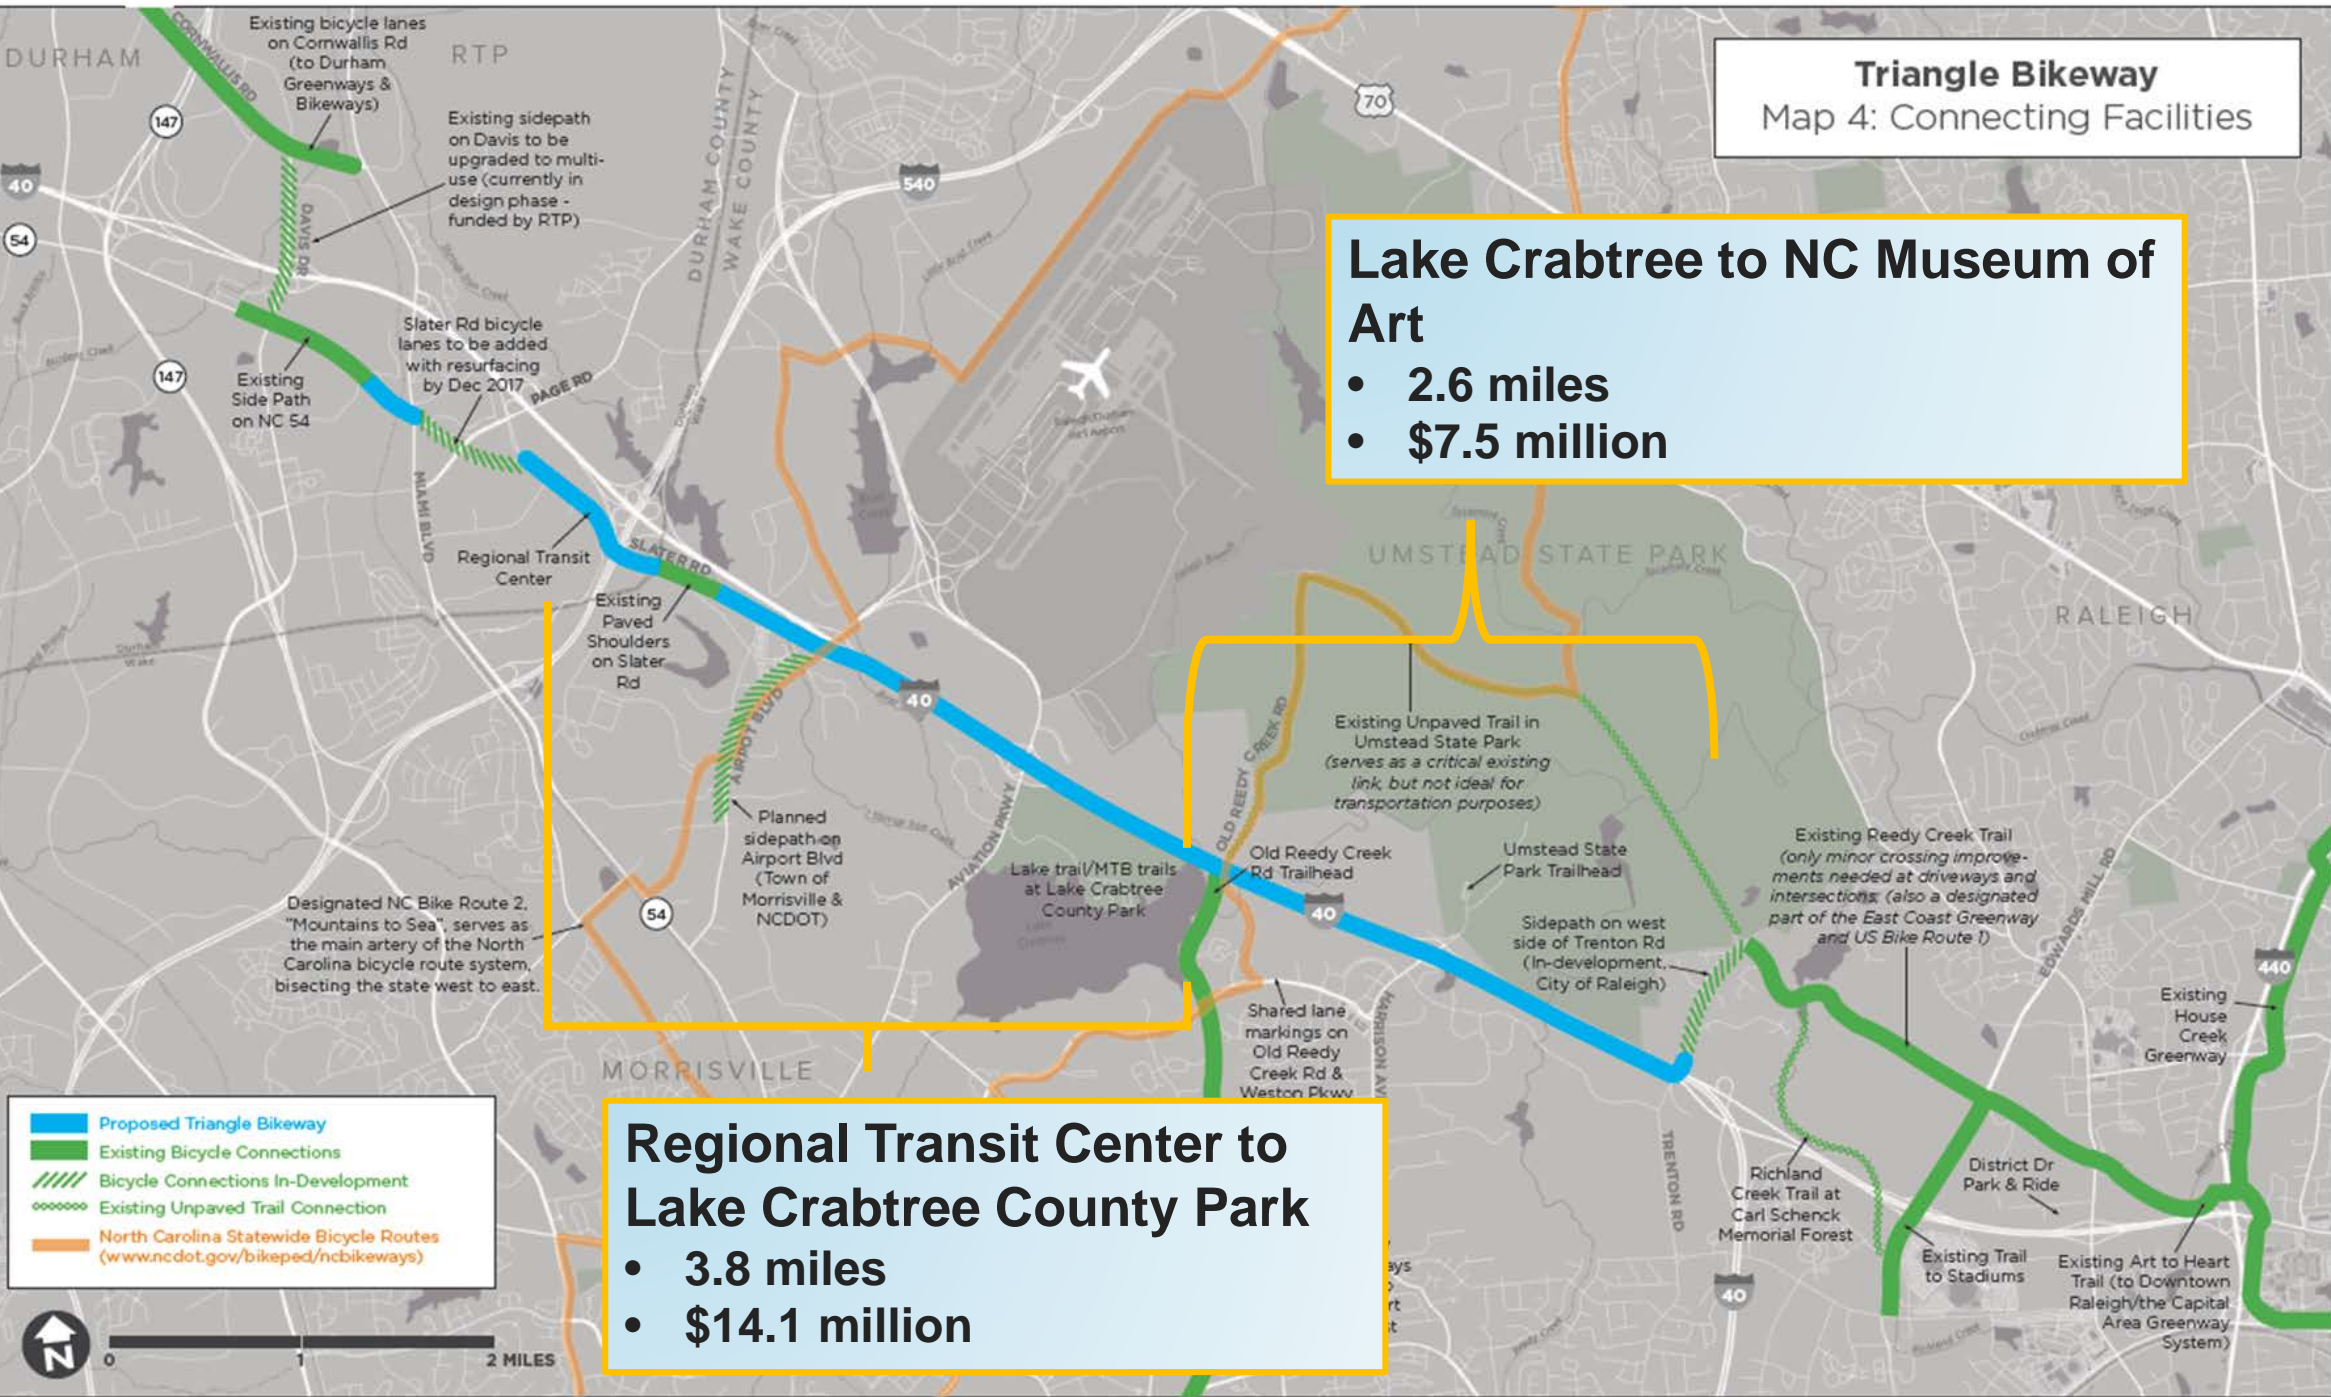

# Triangle Bikeway Map 4: Connecting Facilities

## Lake Crabtree to NC Museum of Art

- 2.6 miles
- \$7.5 million

## Regional Transit Center to Lake Crabtree County Park

- 3.8 miles
- \$14.1 million

# Funding Efforts

- Locally Administered Projects Program (LAPP)
- Strategic Transportation Prioritization (SPOT)
  - CAMPO - minimum 80% / 20% local match
  - Very competitive - projects with design as a single component do not score as well
- Unsuccessful with either request

# Today's Discussion

- Does the Transit Committee wish to discuss this topic with the full Board?
