Contract Terms and Information: Mann

- **Funding Source:** Site acquisition costs are funded from the Land Acquisition line item of the ongoing CIP.
- **Operational Cost Impacts:** Additional utility and maintenance costs are anticipated with acquisition of the additional buildings until such time as they are removed to support the future site use.
- **Intermediate Use:** As the property will not be in use for the intended purpose for a year or more, the potential for an appropriate intermediate use may exist. In order to minimize potential risks while taking advantage of possible income potential and/or community collaboration while keeping responsible stewardship and sustainability in the forefront of decision making, a site management plan will be developed for the land bank period in advance of the renovation project.
- **Acquisition Result:** The assemblage of the subject property with the Swift Creek ES property will vest ownership in the Board of 16.04 acres.

West Assemblage Contract Terms and Information - Mann

■ Utilities:

- Swift Creek ES has existing water and sewer services at the site.
- With the renovation, the existing lengthy off-site force main line will likely be realigned to a much closer gravity sewer line within Campbell Road.

■ Subject to Potential Easement Conveyance:

- The adjacent mini-storage developer may need a 0.27 acre conservation/landscaping easement along the western boundary of the Mann tract
- The proposed easement location and use is not expected to adversely effect the property use for school construction.
- If needed, per preliminary agreement the easement will be conveyed in exchange for appropriate compensation paid to the Board of Education.
