

Celebrating Volunteerism

By Presidential Proclamation, April 7-13 is designated as National Volunteer Week to inspire and encourage people to volunteer and to celebrate those who do.

County's Focus:

1. **Residents:** Acknowledge the thousands of residents that volunteer to support County operations, and encourage others to find their place to offer their time and talents
2. **Employees:** Encourage employee use of Community Involvement Leave, and celebrate their contributions

DIFFERENCE

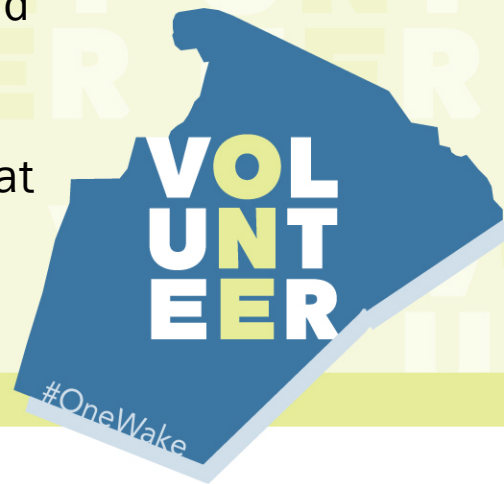

#ONEWAKE

#ONEWake Campaign

Launched in April 2016, the #ONEWake campaign uses a variety of outreach and education strategies to show how ONE person, in just ONE hour or ONE day, can make a real difference in their community.

Through #ONEWake, the county is promoting ways for volunteers to support county programs and services, and celebrating those who do.

Find ONE way you can make a difference at wakegov.com/volunteer.

Making a Difference

Board of Commissioners approved increase in Community Involvement Leave available to employees, which took effect January 1, 2018

Policy change increase hours from 8 to 16 annually

Impact:

2017 hours used: 6,800

2018 hours used: 12,600

Increase of 86%

2019 #ONEWake Volunteer Recognition Awards

Nominations accepted April 1 through May 15 for:

- Residents (adult and youth) that volunteered directly for a Wake County Government department in 2018; or
- Current County employees who volunteered with any organization in 2018.

Awards presented at Sept. 3 board meeting.
